Product description

3-unit 3x1 surface-mounted stainless steel mailbox Design BASIC Plus 382XA AP - RAL colour of your choice

High-quality surface-mounted mailbox for 3 households made in Germany by Briefkasten Manufaktur.

The complete surface-mounted mailbox system is made of stainless steel V2A, powder-coated in a RAL colour. The very high-quality workmanship and the well thought-out concept make this mailbox system one of our top sellers. A rain drip edge for optimal water protection, a continuous rubber lip for quiet posting, the solid interchangeable nameplate, a practical mail retention bar and the very robust lock characterise this surface-mounted mailbox system.

Thanks to the construction, self-installation is straightforward. The mailbox system is prepared for uncomplicated complete mounting, so an elaborate wall mounting of individual boxes is not required.
