4-unit (2x2) design surface-mounted mailbox system GOETHE AP - RAL colour of your choice | 100mm depth | with 4 mailboxes

Product number 215-AP-4

Product description

4-unit 2x2 design surface-mounted mailbox system GOETHE AP - RAL colour of your choice

High-quality manufactured 4-party surface-mounted mailbox system. The modern GOETHE mailbox is ideal for an upscale entrance area. Its clean-lined design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the individual compartments provide a capacity of approx. 16 litres; the large aperture ensures that DIN C4 envelopes and magazines — or post accumulated during an absence of several days — are not creased. The innovative Push-Key lock is concealed invisibly inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. With the lock arrangement, this mailbox is designed so that the retrieval door prevents your mail from falling out towards you. An integrated drip edge gives optimal protection for the internal mail against the weather. The insertion flap is fitted with high-quality hinge dampers to ensure quiet closing and to prevent annoying rattling caused by weather conditions. The interchangeable Plexiglas nameplates can be conveniently accessed from the front; for an optimal appearance we recommend the flush-fitting nameplate with laser engraving (see Accessories). The second nameplate is equipped with an advertising insert marked Yes/No.

The surface-mounted mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare-part assembly and straightforward self-assembly. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-assembly is straightforward.

Protected utility model according to DPMA file reference DE: 20 2021 101 679.5

- High-quality 4-unit surface-mounted mailbox made of stainless steel and aluminium.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailboxes made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in RAL colour of your choice.
- Innovative Push-Key lock with 2 keys per compartment.
- Letter insertion and retrieval take place from the front. Insertion flap with high-quality hinge dampers for very quiet mail insertion.
- The mailboxes comply with DIN/EN 13724. Inlet size (3.5 cm x 36.0 cm) for C4 landscape — large envelopes fit without creasing.
- Retrieval doors open from top to bottom, so the mail cannot fall out towards you.
- Plexiglas nameplate for name inscription and a second nameplate with 'Advertising Yes/No' per compartment.
- Optional house number labelling approx. 70-80 mm high.
- Optimal protection from rain due to drip edges and a rain hood made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Including mounting rail for wall mounting.

Important information:

To achieve optimal water protection for your mail, the mailbox or mailbox system should, if possible, be located under a canopy.

Mail is only protected from water if it is placed completely inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a valid reason for complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
