6-unit (3×2) design surface-mounted mailbox system GOETHE AP – RAL colour of your choice | 100mm depth | with 6 mailboxes (3x2)

Product number 215-AP-6

Product description

6-unit 3x2 design surface-mounted mailbox system GOETHE AP - RAL colour of your choice

High-quality manufactured 6-unit surface-mounted mailbox system. The modern GOETHE mailbox is ideal for a discerning entrance area. The clean-lined design without a visible lock gives this mailbox a particularly elegant appearance.

The dimensions of the individual boxes provide a capacity of approx. 16 litres; the large aperture also ensures that DIN C4 envelopes and magazines — or post accumulated during an extended absence — do not arrive creased. The innovative push-key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. The position of the lock is designed so that the collection door prevents the post from falling out towards you. The water drainage edge provides optimal protection for the internal post against the weather. The insertion flap is fitted with high-quality hinge dampers, ensuring a quiet close and preventing annoying rattling caused by weather. The replaceable Plexiglas nameplates can be operated conveniently from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is fitted with an 'Advertising Yes/No' insert.

The surface-mounted mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, simple spare-part assembly and straightforward self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-installation is uncomplicated.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- High-quality 6-unit surface-mounted mailbox system made of stainless steel and aluminium.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailboxes made of stainless steel 1.4016 (corrosion-resistant magnetic stainless steel), powder-coated in RAL colour of your choice.
- Innovative push-key lock with 2 keys per unit.
- Mail insertion and collection take place from the front. Insertion flap with high-quality hinge dampers for very quiet insertion of mail.
- The mailboxes comply with DIN/EN 13724. Aperture size (3.5 cm x 36.0 cm) for C4 landscape; large letters also fit without creasing.
- Collection doors open from top to bottom. This prevents your post from falling out towards you.
- Plexiglas nameplate for name inscription and a second nameplate with 'Advertising Yes/No' per unit.
- Optional house number labelling approx. 70–80 mm high.
- Optimal protection from rain via rain drainage edges and a rain canopy made from 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Side cladding made from 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Including mounting rail for wall installation.

Important information:

To achieve optimal water protection for your post, the mailbox or mailbox system should, where possible, be situated under a canopy.

Posted items are only protected from water if they are placed completely inside the box and the insertion flap is closed. Post that is not fully inserted allows the ingress of moisture and dirt into the mailbox. This system is protected against water ingress in accordance with DIN EN 13724. Water ingress is not grounds for a complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
