Product description

8-unit 2x4 stainless steel surface-mounted mailbox Design BASIC Plus 382XA AP - RAL colour of your choice

High-quality surface-mounted mailbox for 8 units made in Germany by Briefkasten Manufaktur.

The complete surface-mounted mailbox system is made from stainless steel V2A, powder-coated in a RAL colour. The very high-quality workmanship and the well thought-out concept make this mailbox system one of our bestsellers. A rain-drip edge for optimal water protection, a continuous rubber lip for quiet posting, the solid replaceable nameplate, a practical mail retention bracket and the very robust lock characterise this surface-mounted mailbox system.

Thanks to the design, self-installation is straightforward. The mailbox system is prepared for uncomplicated complete installation; there is no need for labour-intensive wall mounting of individual boxes.
