Product number 382XA-VA-2S-150

Product description

2-unit surface-mounted stainless steel letterbox Design BASIC Plus 382XA AP - stainless steel V2A brushed

High-quality surface-mounted letterbox for 2 households, manufactured in Germany by Briefkasten Manufaktur.

The complete surface-mounted letterbox system is made of brushed stainless steel V2A. The high-quality workmanship and well-thought-out concept make this letterbox system one of our bestsellers. A rain-drip edge for optimal water protection, a continuous rubber lip for quiet post insertion, a solid replaceable nameplate, a practical post retention bracket and a robust lock characterise this surface-mounted letterbox system.

The letterbox systems of the BASIC Plus collection are distinguished by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility and modularity, easy spare-part assembly and straightforward self-installation. Spare parts are directly available for all BASIC Plus systems.

Thanks to the design, self-installation is straightforward. The letterbox system is prepared for uncomplicated complete mounting; there is no need for time-consuming wall mounting of individual boxes.

- 2-unit surface-mounted letterbox system with letterboxes made of brushed stainless steel V2A.
- The system is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The letterboxes comply with DIN/EN 13724. Insertion aperture (3.5 cm x 32.5 cm) suitable for C4 landscape; large letters fit in without bending.
- Insertion flaps with sound-dampening rubber seal for very quiet post insertion.
- Doors open from left to right.
- Includes 2 keys with key number, replaceable nameplate under the insertion flap and post retention bracket per letterbox.
- Large capacity through optional letterbox depth +50 mm = approx. 17 litres. Suitable for businesses and households with very high post volumes.
- Includes side panel and rain hood made of brushed stainless steel V2A.
- For wall mounting; includes mounting rail and fixing material (screws and wall plugs).

Important information:

Post is only protected from moisture and dirt when fully inserted and the flap is closed. Under certain extreme weather conditions water may nevertheless enter (according to DIN EN 13724 up to 1 cm³). This is not a reason for complaint.

Product properties

Series	BASIC
