3-unit surface-mounted mailbox system Design BASIC 385A AP - stainless steel RAL 7016 anthracite grey | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | BI-Color brushed stainless steel | RAL 7016 anthracite grey | with 3 mailboxes (1x3)

Product number 385A-7016VA-3S

Product description

Slim surface-mounted mailbox system BASIC 385A for 3 households – BI-Color RAL 7016 / Stainless steel

The BASIC 385A surface-mounted mailbox system for 3 households is a robust wall solution for apartment buildings, smaller residential complexes as well as office and medical practice properties. The vertically arranged S-configuration reduces the horizontal space requirement and makes particularly efficient use of the available wall height.

The BI-Color version combines anthracite grey powder-coated mailbox bodies with brushed stainless steel V2A elements. The contrast of materials gives the BASIC system a high-quality, modern appearance.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and provides approx. 12 litres of volume. The 35 × 265 mm insertion opening is designed for DIN C4 items in portrait orientation. The doors open from left to right; each mailbox is supplied with two keys with key number and an interchangeable nameplate located beneath the mail flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Rain hood and side panels

Rain hood and side panels combine the individual mailboxes into a closed surface-mounted system. The coordinated cladding ensures a calm front and a clean finish at the façade.

DIN C4 insertion and 12 litres volume

The 300 × 110 × 385 mm (W × H × D) compartments each offer approx. 12 litres of volume. The 35 × 265 mm insertion opening also accepts larger DIN C4 items in portrait orientation.

Quiet insertion and secure allocation

The rubber lip dampens the mail flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear assignment of the individual compartments.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade mounting. A mounting rail simplifies installation; fixings with screws and wall plugs are included in the described version.

BI-Color in anthracite and stainless steel

RAL 7016 Anthracite grey fine-structure matt is combined with brushed stainless steel accents, creating a striking material contrast. The system is manufactured in Germany at the Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 3 separately lockable compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material BI-Color: galvanised steel in RAL 7016 with stainless steel V2A accents
Finish RAL 7016 Anthracite grey fine-structure matt / brushed stainless steel V2A
Standard DIN EN 13724

Mail and operation

Insertion opening 35 × 265 mm, suitable for DIN C4 portrait
Mail flaps With noise-dampening rubber lip
Mail retrieval From the front
Door opening Doors open from left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate beneath the mail flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain hood Solid, matching the system
Type of installation Surface-mounted wall installation
Installation aid Mounting rail
Fixings Screws and wall plugs included; suitability for the on-site wall construction must be checked
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be flat and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems appropriate fixing solutions must be determined on site.

Note on weather protection

Mail is best protected from moisture and dirt only when items are fully inserted and the mail flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Material	Stainless steel V2A 1.4301
Surface/colour	RAL 7016 anthracite grey, Brushed
Removal of mail	On the front
Mounting type	Surface-mounted
Number of boxes	with 3 letterboxes
