6-compartment Surface-mounted mailbox system Design BASIC 385A AP - stainless steel RAL 7016 anthracite

Modern surface-mounted mailbox system for 6 parties made in Germany by Briefkasten Manufaktur.

The mailboxes are made of galvanized steel, powder-coated in anthracite-gray RAL 7016, the access flaps are made of weather-resistant stainless steel V2A, ground. A close-fitting side panel with rain canopy and the rain gutters for optimum water protection, an insertion flap with rubber lip, the solid interchangeable name plate and the robust lock are the distinguishing features of this letterbox system. This mailbox is easy to clean and insensitive.

Thanks to the construction method, self-assembly is uncomplicated.

• 6-compartment Surface-mounted mailbox system completely powder-coated in RAL 7016 anthracite gray fine structure matt

- The system is made at the letterbox manufactory. German quality production "Made in Germany".
- The mailboxes are made of galvanized steel, powder-coated in RAL 7016 anthracite-grey fine structure matt and comply with DIN/EN 13724. Insertion size (3.5 cm x 26.5 cm) for C4 high, even large letters fit in here without bending.
- Insertion flaps made of stainless steel, polished with noise-damping rubber lip for very quiet insertion of mail.
- The doors open from left to right.
- Incl. 2 keys with key number and change name plate under the access flap per mailbox.
- Incl. close-fitting side panel+rain cover made of stainless steel V2A, powder-coated in RAL 7016 anthracite gray fine structure matt.
- Incl. mounting material for wall mounting.

Important information:

The mail is only protected from moisture and dirt when fully inserted and the flap is closed. In certain extreme weather conditions, water can still enter (according to DIN EN 13724 up to 1ccm). This is not a reason for complaint.

Abmessungen & Details
