High-quality surface-mounted mailbox for 5 residents made in Germany by Briefkasten Manufaktur.

The complete surface-mounted mailbox system is made from stainless steel V2A, powder-coated in a RAL colour. The very high-quality workmanship and the well-thought-out concept make this mailbox system one of our top sellers. A rain runoff edge for optimal water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical mail-retention bracket and the very robust lock characterise this surface-mounted mailbox system.

Thanks to the construction method, self-assembly is straightforward. The mailbox system is prepared for uncomplicated complete installation; there is no need for time-consuming wall mounting of individual boxes.
