17-unit 6x3 surface-mounted mailbox system Design BASIC 385A-7016 AP - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | with 17 mailboxes

Product number 385A-7016-17W

Product description

Wide surface-mounted mailbox system BASIC 385A for 17 households – RAL 7016 Anthracite Grey

The BASIC 385A surface-mounted mailbox system for 17 households is a robust wall-mounted solution for larger apartment buildings, residential complexes and commercial properties. The wider W version distributes the mailboxes across a multi-column front and keeps the overall installation comparatively low and visually tidy.

The mailboxes are made of galvanised steel and are powder-coated in RAL 7016 Anthracite Grey with a fine-textured matt finish. The close-fitting cladding with a rain canopy unites the individual compartments into a continuous, modern surface-mounted installation.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm mail slot is designed for DIN C4 items in portrait orientation. The doors open from left to right; each mailbox is supplied with two keys with key number and an interchangeable nameplate beneath the flap.

The benefits of the BASIC 385A surface-mounted system at a glance

Rain canopy and side cladding

The rain canopy and side panels combine the individual mailboxes into a continuous surface-mounted installation. The coordinated cladding provides a calm frontage and a neat finish at the façade.

DIN C4 slot and 12 litres volume

The 300 × 110 × 385 mm (W × H × D) compartments each offer approx. 12 litres of volume. The 35 × 265 mm mail slot also accepts larger DIN C4 items in portrait orientation.

Quiet insertion and secure allocation

The rubber lip damps the insertion flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear assignment of each mailbox.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade installation. A mounting rail facilitates installation; fixings with screws and wall plugs are included in the described configuration.

Robust finish in RAL 7016

The anthracite grey fine-textured surface gives the system a modern appearance and protects the galvanised steel for everyday use on the building. The system is manufactured in Germany at Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 17 individually lockable compartments
Individual compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per compartment
Material Galvanised steel, powder-coated in RAL 7016 Anthracite Grey fine-textured matt
Finish RAL 7016 Anthracite Grey fine-textured matt
Standard DIN EN 13724

Mail and operation

Mail slot 35 × 265 mm, suitable for DIN C4 portrait
Flaps With noise-damping rubber lip
Mail retrieval From the front
Door opening From left to right
Keys 2 keys with key number per compartment
Nameplate Interchangeable nameplate beneath the mail flap

Cladding and wall installation

Side cladding Close-fitting design
Rain canopy Robust canopy matching the system
Mounting type Surface-mounted wall installation
Mounting aid Mounting rail
Fixings Screws and wall plugs included; suitability for the on-site wall construction must be checked
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems, appropriate fixing solutions must be determined on site.

Note on weather protection

Mail is best protected from moisture and soiling only when items are fully inserted and the flap is closed. Protruding letters or magazines may prevent the flap from closing completely.

Product properties

Material	Steel, galvanised
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey
Removal of mail	On the front
Number of boxes	with 17 letterboxes
Mounting type	Surface-mounted
