2-unit surface-mounted mailbox system Design BASIC 385 A 220 - RAL 7016 anthracite grey fine texture matt | RAL 7016 Anthracite grey, fine texture, matt | 300x220x385 mm (WxHxD) - ???? Large 25 litres | with 2 letterboxes (1x2)

Product number 385A220-7016-2

Product description

Surface-mounted mailbox system BASIC 385A 220 for 2 households – 25 litres per compartment – RAL 7016 Anthracite grey

The BASIC 385A surface-mounted mailbox system for 2 households is a robust wall solution for semi-detached houses, homes with a granny flat and smaller office properties. The balanced arrangement groups all mail compartments into a clearly structured and visually continuous wall unit.

The mailboxes are made of galvanized steel and powder-coated in RAL 7016 Anthracite grey fine-texture matt. The close-fitting cladding with rain canopy joins the individual compartments into a continuous, modern surface-mounted unit.

Each compartment measures 300 × 220 × 385 mm (W × H × D) and offers approx. 25 litres of volume. The 35 × 265 mm insertion aperture is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox is supplied with two keys with key number and an interchangeable nameplate located beneath the letter flap.

Advantages of the BASIC 385A 220 surface-mounted system at a glance

Rain canopy and side cladding

The rain canopy and side panels join the individual mail compartments into a continuous surface-mounted unit. The coordinated cladding provides a calm front and a clean finish against the façade.

25 litres mail volume per compartment

The 300 × 220 × 385 mm (W × H × D) compartments each offer approx. 25 litres of volume. The 35 × 265 mm insertion aperture also accepts larger DIN C4 items in portrait format.

Quiet insertion and secure allocation

The rubber lip damps the letter flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear allocation of the individual compartments.

Mounting rail for wall installation

The surface-mounted unit is designed for direct façade mounting. A mounting rail facilitates installation; fixing materials with screws and wall plugs are included in the described configuration.

Durable surface in RAL 7016

The anthracite grey fine-texture surface gives the unit a modern appearance and protects the galvanized steel for everyday use on the building. The unit is manufactured in Germany by the Briefkasten Manufaktur.

Equipment of the BASIC 385A 220 mailbox system

Mailbox system

Number of mailboxes 2 separately lockable compartments
Single compartment 300 × 220 × 385 mm (W × H × D)
Volume Approx. 25 litres per mailbox
Material Galvanized steel, powder-coated in RAL 7016 Anthracite grey fine-texture matt
Surface RAL 7016 Anthracite grey fine-texture matt
Standard DIN EN 13724

Mail and operation

Insertion aperture 35 × 265 mm, suitable for DIN C4 portrait
Letter flaps With noise-damping rubber lip
Mail retrieval Front access
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate beneath the letter flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain canopy Solid canopy matching the unit
Type of mounting Surface-mounted wall installation
Mounting aid Mounting rail
Fixings Screws and wall plugs included; suitability for the wall construction on site must be checked
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be even and structurally sound. The supplied screws and wall plugs should only be used if suitable for the existing wall construction; for other substrates or external thermal insulation composite systems, appropriate fixing solutions must be specified on site.

Note on weather protection

Mail is only optimally protected from moisture and dirt when items are fully inserted and the letter flap is closed. Overhanging letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised
Series	BASIC
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey
Number of boxes	with 2 letterboxes
Removal of mail	On the front
Boxes by volume	Large > 16 litres
Mounting type	Surface-mounted

Dimensions

Height of single box in mm	220.0
Width of single box in mm	300.0
Capacity in litres	25
Height of letterbox slot in mm	35.0
Width of letter slot in mm	265.0
Height of letterbox in mm	440.0
Width of letterbox system in mm	300.0
Total width in mm	308.0
Depth in mm	435.0
Weight in kg	21
Delivery condition	Delivered fully assembled.
