## free-standing letterbox system with showcase BASIC 3894 ST-R - 710x660 - stainless steel Standelementee

High quality showcase with letterboxes made in Germany by Briefkasten Manufaktur. The ideal solution for simple poster display indoors and outdoors.

The showcase is completely made of aluminum, anodized in silver and the stand elements + letterboxes made of weather-resistant stainless steel V2A, ground. The showcase is suitable for 2x DIN A-4 sheets, the showcase has a white, magnetic back wall and a white text panel in the upper viewing area. The glazing is made of single-pane safety glass, the integrated ventilation openings prevent the pane from fogging.

The very high quality workmanship and the well thought-out concept make the mailboxes our top seller. A rain drainage edge for optimal water protection, a double-edged insertion flap with rubber buffer, the solid changeable name plate, a practical mail holding bracket and the very robust lock characterize these stainless steel mailboxes.

Thanks to the construction method, self-assembly is uncomplicated.

### • free-standing letterbox system made of weatherproof V2A stainless steel 1.4301, polished

- The system is created at the letterbox manufactory. German quality production "Made in Germany".
- The mailboxes comply with DIN/EN 13724. Insert size (3.5 cm x 32.5 cm) for C4 crosswise, here fit even large letters without bending.
- Insertion flaps with noise-damping rubber buffers for very quiet insertion of mail.
- The doors can be opened from left to right.
- Incl. 2 keys with key number, changeable name plate under the access flap and mail holding bracket per mailbox.
- Large capacity due to optional letterbox depth +50 mm = approx. 17 l. Suitable for companies and households with very large mail volumes.

### • Display box made of aluminum, anodized in matt-silver (E6/EV1)

- Suitable for 2x DIN A-4 sheets.
- Glazing made of single-pane safety glass / ESG. Integrated ventilation openings to prevent fogging of the pane.
- The viewing area has a surface of W 560 x H 520mm minus text panel H 80mm.
- Text panel made of white acrylic text panel, removable, without text. The text panel can be easily covered with labeling foil at a later date. Illumination in environmentally friendly, energy-saving LED technology possible.
- Door opens from left to right with security lock incl. 2 keys.
- Magnetic white rear panel.
- Angular aluminum frame construction with internal corner connectors (no plastic!).
- The stand elements are made of 60.3 mm V2A stainless steel 1.4301, ground for screw mounting or for setting in concrete.
