# 12-unit 6x2 surface-mounted mailbox system Design BASIC 385A-9016 AP - RAL 9016 traffic white | RAL 9016 Traffic White, fine-textured matt | with 12 mailboxes (2x6) | 300x110x385 mm (WxHxD) - ?? Normal 12 litres

**Product number** 385A-9016-12W

## Product description

## Wide surface-mounted mailbox system BASIC 385A for 12 units – RAL 9016 Traffic White

The BASIC 385A surface-mounted mailbox system for 12 units is a robust wall-mounted solution for apartment buildings, residential complexes and commercial properties. The wider W version distributes the mailboxes across a multi-column front and keeps the overall system lower in profile and clearly arranged.

The mailboxes are made of galvanised steel and are powder-coated in RAL 9016 Traffic White with a fine-textured matt finish. The light surface creates a clear, understated design for modern entrance areas.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of capacity. The 35 × 265 mm insertion slot is designed for DIN C4 items in portrait orientation. The doors open from left to right; each mailbox includes two keys with key number and a replaceable nameplate located beneath the insertion flap.

## Advantages of the BASIC 385A surface-mounted system at a glance

### Rain canopy and side panels

The rain canopy and side panels unite the individual mailboxes into a continuous surface-mounted system. The coordinated cladding provides a calm front and a tidy finish at the façade.

### DIN C4 insertion and 12-litre capacity

The 300 × 110 × 385 mm (W × H × D) compartments each provide approx. 12 litres of capacity. The 35 × 265 mm insertion slot also accepts larger DIN C4 items in portrait orientation.

### Quiet insertion and secure allocation

The rubber lip dampens the insertion flap. Robust locks, two keys with key number and protected replaceable nameplates ensure clear allocation of the individual compartments.

### Mounting rail for wall installation

The surface-mounted system is designed for direct façade installation. A mounting rail simplifies installation; fixing materials with screws and wall plugs are included in the described configuration.

### Light surface in RAL 9016

Traffic White in a matt fine-texture appears bright and straightforward while protecting the galvanised steel construction of the surface-mounted system. The system is manufactured in Germany by the Briefkasten Manufaktur.

## Equipment of the BASIC 385A mailbox system

### Mailbox system

**Number of mailboxes** 12 separately lockable compartments
**Single compartment** 300 × 110 × 385 mm (W × H × D)
**Volume** Approx. 12 litres per mailbox
**Material** Galvanised steel, powder-coated in RAL 9016 Traffic White fine-textured matt
**Surface** RAL 9016 Traffic White fine-textured matt
**Standard** DIN EN 13724

### Mail and operation

**Insertion slot** 35 × 265 mm, suitable for DIN C4 portrait
**Insertion flaps** With noise-damping rubber lip
**Mail retrieval** From the front
**Door opening** From left to right
**Keys** 2 keys with key number per mailbox
**Nameplate** Replaceable nameplate beneath the insertion flap

### Cladding and wall mounting

**Side cladding** Close-fitting design
**Rain canopy** Sturdy, system-matching design
**Mounting type** Surface wall mounting
**Installation aid** Mounting rail
**Fixing materials** Screws and wall plugs included; check suitability for the wall construction on site
**Manufacture** Made in Germany by Briefkasten Manufaktur Lippe

#### Note on wall mounting

The wall must be level and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation systems, appropriate fixing solutions must be determined on site.

**Note on weather protection**

Mail is best protected from moisture and soiling only when items are fully inserted and the insertion flap is closed. Protruding letters or magazines may prevent the flap from closing completely.

## Product properties

| | |
|---|---|
| **Material** | Steel, galvanised |
| **Series** | BASIC |
| **Boxes by volume** | Normal > 10 litres |
| **Name labelling** | Nameplate |
| **Removal of mail** | On the front |
| **Mounting type** | Surface-mounted |
| **Surface/colour** | RAL 9016 traffic white |
| **Number of boxes** | with 12 letterboxes |
