4-compartment 2x2 surface mount mailbox BASIC 382A AP with newspaper box - RAL 7016 anthracite gray

High quality surface mailbox for 4 parties made in Germany by Briefkasten Manufaktur.

The mailboxes are made of galvanized steel, powder coated in anthracite gray RAL 7016 fine structure matt and the newspaper compartments are made of stainless steel V2A, powder coated in anthracite gray RAL 7016 fine structure matt. The very high quality workmanship and the sophisticated concept make this mailbox system our top seller. A rain drainage edge for optimal water protection, a continuous rubber lip for quiet insertion, the solid interchangeable name plate, a practical mail holding bracket and the very robust lock characterize this surface-mounted mailbox system.

Thanks to the construction method, self-assembly is uncomplicated. The mailbox system is prepared for uncomplicated complete assembly, here no complex wall mounting of individual boxes must take place.

The design of your entrance area will be perfect if you combine the self-adhesive stainless steel house number (not included, see accessories).

- 4-compartment Surface-mounted mailbox system with mailboxes made of galvanized sheet steel, powder-coated in anthracite gray RAL 7016 fine structure matt.
- The system is made at Briefkasten Manufaktur. German quality production "Made in Germany".
- The mailboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 crosswise, here fit even large letters without bending.
- Insertion flaps with noise-damping rubber seal for very quiet insertion of mail.
- The doors can be opened from left to right.
- Incl. 2 keys with key number, changeable name plate under the access flap and mail holding bracket per mailbox.
- Newspaper compartments, open on both sides, made of stainless steel V2A, powder coated in anthracite gray RAL 7016 fine structure matt. Dimensions: 355x100x100mm.
- Additional rain protection can be achieved with the optional close-fitting rain protection roof made of stainless steel V2A, powder coated in RAL 7016 anthracite gray.
- For wall mounting incl. mounting material (screws + dowels).

Important information:

Mail is protected from moisture and dirt only when fully inserted and flap closed. In certain extreme weather conditions, water may nevertheless enter (according to DIN EN 13724 up to 1ccm). This is not a reason for complaint.
