2-compartment 2x1 surface mount mailbox BASIC 382A AP with newspaper compartment - stainless steel RAL 7016 anthracite gray

High quality surface mailbox for 2 parties made in Germany by Briefkasten Manufaktur.

The mailboxes are made of galvanized steel, powder coated in anthracite gray RAL 7016 fine structure matt, the newspaper compartments & access flaps are made of stainless steel V2A, polished. The very high quality workmanship and the sophisticated concept make this mailbox our top seller. A rain drainage edge for optimum water protection, a double-edged insertion flap with rubber buffer, the solid changeable name plate, a practical mail holding bracket and the very robust lock characterize this mailbox. This high-quality surface-mounted mailbox is only available from us.

Thanks to the construction method, self-assembly is uncomplicated. The mailbox system is prepared for uncomplicated complete assembly, here no complex wall mounting of individual boxes must take place.

The design of your entrance area will be perfect if you combine the self-adhesive stainless steel house number (not included, see accessories).

- 2-compartment Surface-mounted mailbox system with mailboxes made of galvanized sheet steel, powder-coated in RAL anthracite gray 7016 fine structure.
- The system is made at Briefkasten Manufaktur. German quality production "Made in Germany".
- The mailboxes comply with DIN/EN 13724. Insert size (3.5 cm x 32.5 cm) for C4 crosswise, here fit even large letters without bending.
- Insertion flaps made of stainless steel V2A, ground with noise-damping rubber buffers for very quiet insertion of mail.
- The doors open from left to right.
- Incl. 2 keys with key number, changeable name plate under the access flap and mail holding bracket per mailbox.
- Newspaper compartments, open on both sides, made of stainless steel V2A, polished. Dimensions: 355x100x100mm.
- Additional rain protection can be achieved with the optional close-fitting rain protection roof made of stainless steel V2A, powder coated in RAL 7016 anthracite gray.
- For wall mounting incl. mounting material (screws + dowels).

Important information:

Mail is protected from moisture and dirt only when fully inserted and flap closed. In certain extreme weather conditions, water may nevertheless enter (according to DIN EN 13724 up to 1ccm). This is not a reason for complaint.
