3-compartment 3x1 stainless steel surface mailbox BASIC 382A AP with newspaper compartment

High-quality stainless steel surface mailbox for 3 parties made in Germany by Briefkasten Manufaktur.

The complete surface-mounted mailbox system is made of weather-resistant stainless steel V2A, ground. The very high quality workmanship and the sophisticated concept make this stainless steel mailbox system to our top seller. A rain drainage edge for optimum water protection, a double-edged access flap with rubber buffer, the solid changeable name plate, a practical post holder and the very robust lock characterize this stainless steel surface-mounted mailbox system.

Thanks to the construction method, self-assembly is uncomplicated. The mailbox system is prepared for uncomplicated complete assembly, here no complex wall mounting of individual boxes must take place.

- 3-compartment Surface-mounted mailbox made of weather-resistant V2A stainless steel 1.4301, ground.
- The system is created at the letterbox manufactory. German quality production "Made in Germany".
- The mailboxes comply with DIN/EN 13724. Insert size (3.5 cm x 32.5 cm) for C4 crosswise, here fit even large letters without bending.
- Insertion flaps with noise-dampening rubber buffers for very quiet insertion of mail.
- The doors can be opened from left to right.
- Incl. 2 keys with key number, changeable name plate under the access flap and mail holding bracket per mailbox.
- Newspaper compartments, open on both sides, made of stainless steel V2A, polished. Dimensions: 355x100x100mm.
- Additional rain protection can be achieved with the optional close-fitting rain protection roof made of stainless steel V2A, polished.
- For wall mounting incl. mounting material (screws + dowels).

Important information:

The mail is only protected from moisture and dirt when fully inserted and the flap is closed. In certain extreme weather conditions, water can still enter (according to DIN EN 13724 up to 1cm). This is not a reason for complaint.
