6-unit surface-mounted letterbox system Design BASIC 385 A 220 vertical - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | 300x220x385 mm (WxHxD) - ???? Large 25 litres | with 6 letterboxes (2x3)

Product number 385A220-7016-6S

Product description

Narrow surface-mounted mailbox system BASIC 385A 220 for 6 units – 25 litres per compartment – RAL 7016 Anthracite grey

The BASIC 385A surface-mounted mailbox system for 6 units is a robust wall solution for apartment buildings, smaller residential complexes as well as office and medical practice properties. The vertically arranged S-configuration reduces the required horizontal space and utilises the available wall height particularly efficiently.

The mailboxes are made of galvanised steel and powder-coated in RAL 7016 Anthracite grey fine-textured matt. The close-fitting cladding with a rain canopy unifies the individual compartments into a cohesive, modern surface-mounted unit.

Each compartment measures 300 × 220 × 385 mm (W × H × D) and offers approx. 25 litres of volume. The inlet opening measuring 35 × 265 mm is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox is supplied with two keys with key number and an interchangeable nameplate located under the letter flap.

The advantages of the BASIC 385A 220 surface-mounted unit at a glance

Rain canopy and side panels

The rain canopy and side panels combine the individual mail compartments into a unified surface-mounted system. The coordinated cladding provides a neat front and a clean finish to the façade.

25 litres mail volume per compartment

The compartments measuring 300 × 220 × 385 mm (W × H × D) each offer approx. 25 litres of volume. The inlet opening of 35 × 265 mm also accepts larger DIN C4 items in portrait format.

Quiet insertion and secure allocation

The rubber lip dampens the letter flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear assignment of the individual compartments.

Mounting rail for wall installation

The surface-mounted unit is designed for direct façade installation. A mounting rail facilitates installation; fixings including screws and wall plugs are part of the described configuration.

Durable finish in RAL 7016

The anthracite grey fine-textured surface gives the unit a modern appearance and protects the galvanised steel for daily use on the building. The unit is manufactured in Germany by Briefkasten Manufaktur.

Equipment of the BASIC 385A 220 mailbox system

Mailbox system

Number of mailboxes 6 individually lockable compartments
Single compartment 300 × 220 × 385 mm (W × H × D)
Volume Approx. 25 litres per mailbox
Material Galvanised steel, powder-coated in RAL 7016 Anthracite grey fine-textured matt
Finish RAL 7016 Anthracite grey fine-textured matt
Standard DIN EN 13724

Mail and operation

Inlet opening 35 × 265 mm, suitable for DIN C4 portrait
Letter flaps With sound-dampening rubber lip
Mail retrieval From the front
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate beneath the letter flap

Cladding and wall installation

Side cladding Close-fitting design
Rain canopy Sturdy, matching design
Installation type Surface-mounted wall installation
Installation aid Mounting rail
Fixings Screws and wall plugs included; check suitability for on-site wall construction
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall installation

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems, appropriate fixing solutions must be determined on site.

Note on weather protection

Mail is best protected from moisture and dirt when items are fully inserted and the letter flap is closed. Protruding letters or magazines may prevent the flap from closing completely.

Product properties

Material	Steel, galvanised
Series	BASIC
Number of boxes	with 6 letterboxes
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey
Removal of mail	On the front
Boxes by volume	Large > 16 litres
Mounting type	Surface-mounted
