6-compartment BASIC letterbox system – flush mounting – choice of RAL colour

Product number BML3D-WZP7CCBTBC

Product description

Welcoming design and convenient everyday mail delivery

The BASIC Horizontal system from Briefkasten Manufaktur welcomes you and your visitors with a clean, uncluttered design. Its modular construction brings your chosen functions together in a clearly arranged solution that can be tailored to your everyday needs. The BASIC series offers letterboxes, accessory boxes and functional modules that can be combined in a variety of ways to create a harmonious entrance area. The system is designed for flush mounting and provides 6 letterboxes for everyday mail.

The system is finished in your choice of RAL colour and has overall dimensions of W 422 × H 716 × D 394 mm.

Select “Configure now” to open this exact configuration in the 3D configurator. You can then customise the system further and place your order.

Individually configurable

Tailor your letterbox system to your home: select “Configure now” to adapt this configuration to your requirements.

- Box finish: customise the colour in the 3D configurator using the colours available for this version.
- Personalised lettering: add your own names, house numbers or custom text to the designated areas. Any lettering shown is an example and can be replaced.
- Lettering style: choose from the fonts available for lettering and adjust the appearance in the configurator.
- Features: add or change compatible components from the selection available for the system.

When you make individual changes, the dimensions and price are recalculated in the 3D configurator to reflect your selection.

Plaster cover frame

Briefkasten Manufaktur Lippe GmbH

The flush-mounted system is fitted with a plaster cover frame made from 1,5 mm thick V2A stainless steel. The frame covers the joint between the installation opening and the wall surface, providing a neat finish.

Materials and workmanship

Base material: V2A 1.4301 stainless steel. The V2A stainless steel provides a corrosion-resistant, durable foundation for the entrance area.

The powder-coated surface is finished in your choice of RAL colour. Select your preferred colour in the 3D configurator.

Letterbox and ease of use

Letterbox 370 x 110 x 385 mm: includes a rain drainage edge for optimum protection against water, a continuous rubber lip for quiet mail delivery, a sturdy nameplate with a replaceable insert and a highly robust lock. The height of the mail slot and the narrowing of the chute nevertheless help protect mail against unauthorised removal.

Features

BASIC Type 2 plastic nameplate: made from crystal-clear polycarbonate. The insert can be replaced from the front.

Features of this letterbox system

- Product series: BASIC Horizontal
- Installation: flush mounting
- Finish: choice of RAL colour
- Overall dimensions: W 422 × H 716 × D 394 mm
- 6 letterboxes
- Box finish: choice of RAL colour
- Base material: V2A 1.4301 stainless steel. Finish: powder coating or brushed stainless steel

Important information:

Protection against water: a sheltered location, ideally beneath a canopy, helps protect your mail. Mail should be inserted fully and the mail flap should be closed.

Installation: check the mounting surface and installation conditions against the overall dimensions and the installation instructions.
