## Stainless steel free-standing letterbox Design BASIC 384 ST-Q

High-quality stainless steel free-standing letterbox made in Germany by Briefkasten Manufaktur.

The complete mailbox system is made of weather-resistant stainless steel V2A, ground. The very high quality workmanship and the sophisticated concept make this stainless steel letterbox system our top seller. A rain drainage edge for optimum water protection, a double-edged insertion flap with rubber buffer, the solid change name plate, a practical mail holding bracket and the very robust lock distinguish this stainless steel letterbox system.

Thanks to the construction method, self-assembly is uncomplicated.

• **free-standing letterbox made of weatherproof V2A stainless steel 1.4301, grinded**

- The system is created at the letterbox manufactory. German quality production "Made in Germany".
- The letterbox complies with DIN/EN 13724. Throw-in size (3.5 cm x 32.5 cm) for C4 crosswise, large letters also fit in here without bending.
- Insertion flap with noise-dampening rubber buffers for very quiet insertion of mail.
- The door can be opened from left to right.
- Incl. 2 keys with key number, changeable name plate under the access flap and mail holding bracket per mailbox.
- Optional newspaper compartment, rear side, open on both sides made of V2A stainless steel 1.4301, ground.
- Large capacity due to optional letterbox depth +50 mm = approx. 17 l. Suitable for companies and households with very large mail volumes.
- Additional rain protection is achieved by the optional rain protection roof made of stainless steel V2A, polished.
- The stand elements are made of 40x40mm V2A stainless steel 1.4301, ground for screw mounting or for setting in concrete.

**Important information:**

Mail is protected from moisture and dirt only when fully inserted and the flap is closed. In certain extreme weather conditions, water can still enter (according to DIN EN 13724 up to 1cm). This is not a reason for complaint.

### Abmessungen & Details

<b>Number of parties:</b>	1
<b>Item withdrawal:</b>	Front
<b>Base material:</b>	Stainless steel
<b>Height single box in cm:</b>	33,0
