4-unit surface-mounted mailbox system Design BASIC 385 A 220 - RAL 7016 anthracite grey, fine texture, matt | RAL 7016 Anthracite grey, fine texture, matt | 300x220x385 mm (WxHxD) - ???? Large 25 litres | with 4 mailboxes (2x2)

Product number 385A220-7016-4

Product description

Surface-mounted mailbox system BASIC 385A 220 for 4 parties – 25 litres per compartment – RAL 7016 Anthracite grey

The BASIC 385A surface-mounted mailbox system for 4 parties is a robust wall-mounted solution for apartment buildings, smaller residential complexes as well as office and practice premises. The balanced arrangement groups all mail compartments into a clearly structured and visually continuous wall system.

The mailboxes are made of galvanised steel and are powder-coated in RAL 7016 Anthracite grey fine-textured matt. The close-fitting cladding with rain hood unites the individual compartments into a closed, modern surface-mounted system.

Each compartment measures 300 × 220 × 385 mm (W × H × D) and offers approx. 25 litres of volume. The 35 × 265 mm letter slot is designed for DIN C4 items in portrait orientation. The doors open from left to right; each mailbox is supplied with two keys with key number and an interchangeable nameplate beneath the letter flap.

The advantages of the BASIC 385A 220 surface-mounted system at a glance

Rain hood and side cladding

The rain hood and side panels combine the individual mail compartments into a closed surface-mounted system. The coordinated cladding provides a calm front and a clean finish to the façade.

25 litres postal volume per compartment

The 300 × 220 × 385 mm (W × H × D) mail compartments each offer approx. 25 litres of volume. The 35 × 265 mm letter slot also accepts larger DIN C4 items in portrait orientation.

Quiet posting and secure allocation

The rubber lip damps the letter flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear allocation of the individual mailboxes.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade mounting. A mounting rail facilitates installation; fixings including screws and wall plugs are part of the described configuration.

Durable finish in RAL 7016

The anthracite grey fine-textured surface gives the system a modern appearance and protects the galvanised steel for daily use on the building. The system is manufactured in Germany by Briefkasten Manufaktur.

Equipment of the BASIC 385A 220 mailbox system

Mailbox system

Number of mailboxes 4 separately lockable compartments
Single compartment 300 × 220 × 385 mm (W × H × D)
Volume Approx. 25 litres per mailbox
Material Galvanised steel, powder-coated in RAL 7016 Anthracite grey fine-textured matt
Finish RAL 7016 Anthracite grey fine-textured matt
Standard DIN EN 13724

Mail and operation

Letter slot 35 × 265 mm, suitable for DIN C4 portrait
Letter flaps With noise-damping rubber lip
Mail retrieval Front access
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate beneath the letter flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain hood Solid, matching design
Mounting type Surface-mounted wall installation
Mounting aid Mounting rail
Fixings Screws and wall plugs included; check suitability for the wall construction on site
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be flat and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems (ETICS), appropriate fixing solutions must be determined on site.

Note on weather protection

Mail is best protected from moisture and dirt only when items are fully inserted and the letter flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised
Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
Series	BASIC
Number of boxes	with 4 letterboxes
Name labelling	Nameplate
Removal of mail	On the front
Boxes by volume	Large > 16 litres
Mounting type	Surface-mounted
