## Surface mount mailbox Design BASIC 382A AP with bell box - RAL 7016 anthracite gray

High quality surface mailbox made in Germany by Briefkasten Manufaktur.

The mailbox is made of galvanized steel, powder coated in RAL 7016 anthracite gray fine structure matt. The very high quality workmanship and the sophisticated concept make this mailbox our top seller. A rain drainage edge for optimal water protection, a continuous rubber lip for quiet insertion, the solid interchangeable name plate, a practical mail holding bracket and the very robust lock characterize this surface-mounted mailbox. This mailbox is easy to clean and insensitive.

### • Surface-mounted mailbox with letterbox made of galvanized sheet steel, powder-coated in RAL 7016 anthracite gray fine structure matte

- The system is made at the letterbox manufactory. German quality production "Made in Germany".
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape, here fit even large letters without bending.
- Insertion flap with noise-damping rubber seal for very quiet insertion of mail.
- The doors can be opened from left to right.
- Incl. 2 keys with key number, changeable name plate under the access flap and mail retainer.
- Large capacity due to optional mailbox depth +50 mm = approx. 17 l. Suitable for companies and households with very large mail volumes.
- Additional rain protection is provided by the optional rain protection roof, flush at the back and protruding to the front, made of stainless steel V2A, powder-coated in RAL 7016 anthracite gray fine structure matt.
- Optional house number inscription, lasered approx. 80-100mm high.
- For wall mounting incl. mounting material (screws + dowels). For fence mounting optionally without rear perforation (perforation must be made on site).
- **Speech-bell part made of galvanized sheet steel, powder-coated in RAL 7016 anthracite gray fine structure matt**
- Speech perforation with universal adapter. (Intercom system/built-in loudspeaker not included in delivery). Optionally also available without speech perforation.
- Universal adapter is suitable for all commercially available built-in speakers (Siedle, Ritto, TCS, Busch-Jäger, Gira, Legrand Bticino, ELCOM, Auerswald, Comelit and many more).
- Round stainless steel bell push type: Grothe Protact, max. 24 V AC/DC, 1.5 A, IP 54 (pressure force limitation).
- Anti-vandalism - the nameplate is dent-proof and impact-resistant, the plastic is flame-retardant.

### Important information

#### Camera or intercom preparation

**Intercom systems must be connected by an electrician. Contact your trusted electrician for planning, installation and wiring.**

#### Water protection

Mail is protected from moisture and contamination only when it is fully inserted and the flap is closed. In certain extreme weather conditions, water may nevertheless enter (according to DIN EN 13724 up to 1ccm). This is not a reason for complaint.

### Abmessungen & Details

Number of parties:	1
Item withdrawal:	Front
