6-unit (3x2) design flush-mounted mailbox system GOETHE UP - RAL colour of your choice | 100mm depth | with 6 mailboxes (3x2)

Product number 215-UP-6

Product description

6-unit 3x2 design recessed mailbox system GOETHE UP - RAL colour of your choice

High-quality 6-party recessed mailbox system. The modern GOETHE mailbox is ideal for an upscale entrance area. Its straight-line design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the individual boxes provide a capacity of approx. 16 litres; the large inlet ensures that C4 envelopes and magazines — or post accumulated during an absence of several days — are not creased. The innovative push-key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. The position of the lock is designed so that the retrieval door prevents your mail from falling towards you. Thanks to the drip edge, the mail inside is optimally protected from the weather. The inlet flap is fitted with high-quality dampers, ensuring quiet closing and preventing irritating rattling due to weather influences. The replaceable Plexiglas nameplates can be conveniently operated from the front; for an optimal appearance we recommend the flush-fitting nameplate with laser engraving (see Accessories). The second nameplate is equipped with an insert for Advertising Yes/No.

The GOETHE collection mailboxes are characterised by the consistent use of stainless steel. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy replacement part assembly and straightforward self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the construction design, self-installation is straightforward.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- 6-unit recessed mailbox system entirely of stainless steel.
- Mailboxes made from stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in a RAL colour of your choice.
- Quality manufacture - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative push-key lock with 2 keys per unit.
- Letters are deposited and retrieved from the front. Inlet flap with high-quality dampers for very quiet insertion of mail.
- The mailboxes comply with DIN/EN 13724. Inlet size (3.5 cm x 36.0 cm) for C4 landscape; large envelopes fit without folding.
- Retrieval doors open from top to bottom, preventing your mail from falling out towards you.
- Plexiglas nameplate for name labelling and second nameplate with Advertising Yes/No per unit.
- Plaster cover frame made from stainless steel angle profile 25 x 58 mm, powder-coated in RAL colour.

Important information:

For optimal water protection of your mail, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is protected from water only when it is placed completely inside the box and the inlet flap is closed. Mail that is not fully inserted allows moisture and dirt to enter the mailbox. This unit is protected against water ingress according to DIN EN 13724. Water ingress does not constitute grounds for a complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
