Product number 382XA-6W-SP-150-M

Product description

6-unit 3x2 stainless steel surface-mounted mailbox Design BASIC Plus 382XA AP with bell modules - RAL colour of your choice

High-quality surface-mounted mailbox for 6 households, made in Germany by Briefkasten Manufaktur. The mailbox is made entirely of stainless steel V2A, powder-coated in a RAL colour of your choice. The very high-quality workmanship and the well-thought-out concept make this mailbox one of our bestsellers. A rain drip edge for optimal water protection, a continuous rubber lip for quiet insertion, the robust interchangeable nameplate, a practical mail-retaining bar and a very sturdy lock characterise this surface-mounted mailbox.

The mailbox systems of the BASIC Plus collection are characterised by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with regard to high flexibility and modularity, easy spare-part installation and straightforward self-assembly. Spare parts are directly available for all BASIC Plus systems.

Thanks to the design, self-assembly is uncomplicated. The mailbox system is prepared for straightforward complete installation; there is no need for time-consuming wall mounting of individual boxes. 6-unit surface-mounted mailbox made of stainless steel V2A, powder-coated in a RAL colour of your choice.

The advantages at a glance

Stainless steel side cladding with rain hood

Side cladding and rain hood are made of stainless steel V2A, powder-coated in a RAL colour of your choice and complement the system as a structurally matched weather protection.

Generous letter slot

The insertion opening measures 35 × 325 mm and is designed for DIN C4 landscape. The mailbox version complies with DIN EN 13724.

Quiet insertion and comfortable removal

The integrated flap damping with rubber seal reduces impact noise during insertion. The mail-retaining bar holds items back during removal.

Integrated bell and intercom area

Bell/intercom section according to the chosen configuration. A stainless steel doorbell button Type 4 is used as the bell push. Optionally prepared with a speak-through grille for the installation of commercially available intercom systems or built-in speakers. (Intercom system/built-in speaker not included). An option with Comelit Ultra video complete set is also available.

Quality manufacturing and thoughtful construction

The system is manufactured at Briefkasten Manufaktur in Germany. The construction is designed for straightforward self-assembly.

Equipment and product details

Mailbox system

Number of mailboxes 6 separately usable compartments
Arrangement 3 × 2
Depth 150 mm
Mailbox material Stainless steel V2A
Mailbox finish Powder-coated in a RAL colour of your choice
Bell / intercom section Bell and intercom parts made of stainless steel V2A, powder-coated in RAL colour

Mail and operation

Insertion opening 35 × 325 mm, suitable for DIN C4 landscape
Standard DIN EN 13724
Insertion flap Noise-damped by rubber seal
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate below the insertion flap

Mounting and equipment

Mounting type Surface-mounted
Rain drip edge Integrated into the construction
Rain hood Made of stainless steel V2A, powder-coated in a RAL colour of your choice
Side cladding Made of stainless steel V2A, powder-coated in a RAL colour of your choice
Mounting materials For wall mounting including mounting rail and fixings (screws + wall plugs)
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on weather protection

The mail is optimally protected against moisture and soiling when fully inserted and the insertion flap is closed. Protruding items may prevent the flap from closing completely.

Note on wall mounting

Before installation, the load-bearing capacity and condition of the wall must be checked. Fixings must be matched to the weight of the unit and the existing wall construction.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
