Stainless steel mailbox BASIC 810 W with newspaper compartment, for side wall mounting

This mailbox combines the highest quality and modern design. The letterbox is completely made of stainless steel V2 A 1.4301, ground. The grinding pattern captivates by the charisma of highest elegance. Extremely high quality workmanship and the sophisticated concept make this free-standing letterbox our top seller. A rain drainage edge for optimal water protection, a continuous rubber lip for quiet insertion and the very robust interchangeable nameplate distinguish this mailbox.

Thanks to the construction method, self-assembly is uncomplicated.

The letterbox is made by the letterbox manufaktur. 100% Made in Germany, Bad Salzufen.

- Mailbox made of stainless steel V2A 1.4301, ground.
- Newspaper box made of stainless steel V2A, polished. Open on both sides.
- Removal doors open from left to right with rain drain edge for optimal water protection.
- Insertion flap with noise-damping rubber seal for very quiet insertion of mail.
- With changeable name plate and 2 keys.
- The mailboxes comply with DIN EN 13724. Insert size (5.5 cm x 34.0 cm) for DIN C4 landscape, here fit even large letters without bending.
- The mounting columns are made of 42.4 mm stainless steel V2A 1.4301, ground for screw mounting on the house wall.

Important information:

Mail is protected from moisture and dirt only when fully inserted and the flap is closed. In certain extreme weather conditions, water can still enter (according to DIN EN 13724 up to 1cm). This is not a reason for complaint.
