2-compartment Parcel mailbox freestanding BASIC 862BR STEL powder coated with lock system

This parcel mailbox is a classic and robust model for multiple parcel reception, available in different colors. The reception of multiple parcels is easily possible due to the lock system. The mailboxes are made of galvanized steel, powder painted in RAL color. The very high quality workmanship and the well thought-out concept make this mailbox system our top seller. A rain drainage edge for optimal water protection, a continuous rubber lip for quiet insertion, the solid interchangeable name plate, a practical mail holding bracket and the very robust lock distinguish this free-standing letterbox. This mailbox is easy to clean and insensitive.

Thanks to the construction method, self-assembly is uncomplicated.

- 2-compartment Package mailbox made of galvanized sheet steel, powder coated in RAL color of your choice.
- The mailboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 36.5 cm) for C4 crosswise, large letters also fit in here without bending.
- Insertion flaps with noise-damping rubber seal for very quiet insertion of mail.
- The doors can be opened from left to right.
- Incl. 2 keys with key number and change name plate under the access flap per mailbox.
- The removal of mail and parcels is done from the front.
- The parcels with the maximum dimensions of 355 x 155 x 370 mm fit into the parcel mailbox. This corresponds to parcel size M.
- Straight roof for optimal water protection.
- Quiet opening and closing of the parcel flap by means of a damper.
- Mounting is done by means of a screw-on base plate.
