Stainless steel surface-mounted mailbox system Design BASIC 385 A 220 - stainless steel V2A polished

Modern mailbox with extra large letterboxes for 1 party made in Germany by Briefkasten Manufaktur.
The mailbox system is completely made of stainless steel V2A, polished. A close-fitting side panel with rain cover and the rain gutters for optimal water protection, a throw-in flap with rubber lip, the solid change name plate and the robust lock distinguish this mailbox system. This mailbox is easy to clean and insensitive.
Thanks to the construction method, self-assembly is uncomplicated.

• **Surface-mounted letterbox system completely made of stainless steel V2A, polished**
• The system is created at the letterbox manufactory. German quality production "Made in Germany".
• The letterboxes made of stainless steel V2A, polished correspond to DIN/EN 13724. Insertion size (3.5 cm x 26.5 cm) for C4 high, here fit even large letters without bending.
• Insertion flaps with noise-damping rubber lip for very quiet insertion of mail.
• The doors can be opened from left to right.
• Incl. 2 keys with key number and change name plate under the access flap per mailbox.
• Incl. close-fitting side panel + rain cover made of stainless steel V2A, ground.
• Incl. mounting material for wall mounting.

Important information:
Mail is protected from moisture and dirt only when fully inserted and flap closed. In certain extreme weather conditions, water can still enter (according to DIN EN 13724 up to 1ccm). This is not a reason for complaint.

Abmessungen & Details

Number of parties:	1
