14-unit (7x2) surface-mounted mailbox system Design BASIC 385A AP - stainless steel - RAL 7016 anthracite | with 14 mailboxes (2x7) | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | BI-Color brushed stainless steel | RAL 7016 anthracite grey

Product number 385A-7016VA-14W

Product description

Wide Surface-Mounted Mailbox System BASIC 385A for 14 Households – BI-Color RAL 7016 / Stainless Steel

The BASIC 385A surface-mounted mailbox system for 14 households is a robust wall solution for larger apartment buildings, residential complexes and commercial properties. The wider W configuration distributes the mail compartments across a multi-column front and keeps the overall system relatively low and well organised.

The BI-Color version combines anthracite grey powder-coated mailbox bodies with brushed V2A stainless steel elements. The material contrast gives the BASIC system a high-quality, modern appearance.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm mail slot is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox includes two keys with key number and an interchangeable nameplate beneath the mail flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Rain hood and side panels

The rain hood and side panels unite the individual compartments into a closed surface-mounted system. The coordinated cladding provides a calm front and a neat finish to the façade.

DIN C4 mail slot and 12-litre volume

The 300 × 110 × 385 mm (W × H × D) compartments each offer approx. 12 litres of volume. The 35 × 265 mm mail slot also accepts larger DIN C4 items in portrait orientation.

Quiet insertion and secure allocation

The rubber lip damps the mail flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear allocation of the individual compartments.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade installation. A mounting rail facilitates installation; fixings with screws and wall plugs are included in the described configuration.

BI-Color in anthracite and stainless steel

RAL 7016 anthracite grey fine-texture matt is combined with brushed stainless steel accents to create a striking material contrast. The system is manufactured in Germany by the Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 14 separately lockable compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per compartment
Material BI-Color: galvanised steel in RAL 7016 with V2A stainless steel accents
Surface RAL 7016 anthracite grey fine-texture matt / V2A stainless steel brushed
Standard DIN EN 13724

Mail and operation

Mail slot 35 × 265 mm, suitable for DIN C4 portrait
Mail flaps With noise-damping rubber lip
Letter retrieval From the front
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate beneath the mail flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain hood Substantial, system-matching design
Mounting type Surface-mounted wall installation
Mounting aid Mounting rail
Fixings Screws and wall plugs included; check suitability for the on-site wall construction
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall installation

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall structure; for other substrates or external thermal insulation composite systems, appropriate fixing solutions must be determined on site.

Note on weather protection

Mail is best protected from moisture and dirt when items are fully inserted and the mail flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey, Brushed
Removal of mail	On the front
Number of boxes	with 14 letterboxes
Mounting type	Surface-mounted

Dimensions

Height of single box in mm	110.0
Width of single box in mm	300.0
Capacity in litres	12
Height of letterbox slot in mm	35.0
Width of letter slot in mm	265.0
Height of letterbox in mm	770.0
Width of letterbox system in mm	600.0
Total width in mm	465.0
Depth in mm	435.0
Weight in kg	75
Delivery condition	Delivered partly disassembled.
