Product number 385A-7016VA-4S

Product description

Slim surface-mounted mailbox system BASIC 385A for 4 households – BI-Color RAL 7016 / Stainless steel

The BASIC 385A surface-mounted mailbox system for 4 households is a robust wall-mounted solution for apartment buildings, smaller residential complexes as well as office and medical practice properties. The vertically arranged S configuration reduces the horizontal footprint and makes particularly efficient use of the available wall height.

The BI-Color version combines anthracite-grey powder-coated mailbox bodies with brushed stainless steel V2A elements. The material contrast gives the BASIC system a high-quality, modern appearance.

Each mailbox measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm mail slot is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox is supplied with two keys with key number and a replaceable nameplate beneath the mail flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Weather canopy and side panels

The weather canopy and side panels unite the individual mailboxes into a single surface-mounted system. The coordinated cladding creates a calm front and a neat finish on the façade.

DIN C4 mail slot and 12 litres volume

The 300 × 110 × 385 mm (W × H × D) mailboxes each provide approx. 12 litres of volume. The 35 × 265 mm mail slot accepts larger DIN C4 items in portrait format.

Quiet insertion and secure assignment

The rubber lip damps the mail flap. Robust locks, two keys with key number and protected replaceable nameplates ensure clear assignment of the individual mailboxes.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade mounting. A mounting rail simplifies installation; fixings including screws and wall plugs are included in the described specification.

BI-Color in anthracite and stainless steel

RAL 7016 anthracite grey fine-textured matt is combined with brushed stainless steel accents to create a striking material contrast. The system is manufactured in Germany by Briefkasten Manufaktur Lippe.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 4 separately lockable compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material BI-Color: galvanised steel in RAL 7016 with V2A stainless steel accents
Finish RAL 7016 anthracite grey fine-textured matt / V2A stainless steel brushed
Standard DIN EN 13724

Mail and operation

Mail slot 35 × 265 mm, suitable for DIN C4 portrait
Mail flaps With noise-damping rubber lip
Mail retrieval Front access
Door opening From left to right
Keys 2 keys with key number for each mailbox
Nameplate Replaceable nameplate beneath the mail flap

Cladding and wall mounting

Side panels Close-fitting design
Weather canopy Robust, matching the system
Mounting type Surface-mounted wall installation
Installation aid Mounting rail
Fixings Screws and wall plugs included; suitability for the on-site wall structure must be checked
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall installation

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems, suitable fixing solutions must be determined on site.

Note on weather protection

Mail is best protected from moisture and dirt only when items are fully inserted and the mail flap is closed. Protruding letters or magazines may prevent the flap from closing completely.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BASIC
Boxes by volume	Normal > 10 litres
Number of boxes	with 4 letterboxes
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey, Brushed
Removal of mail	On the front
Mounting type	Surface-mounted

Dimensions

Height of single box in mm	110.0
Width of single box in mm	300.0
Capacity in litres	12
Height of letterbox slot in mm	35.0
Width of letter slot in mm	265.0
Height of letterbox in mm	440.0
Width of letterbox system in mm	300.0
Total width in mm	465.0
Depth in mm	435.0
Weight in kg	25
Delivery condition	Delivered fully assembled.
