Product description

4-post surface-mounted letterbox design BASIC 382A AP with bell box - RAL 7016 anthracite grey

High-quality stainless steel surface-mounted letterbox for 4 parties made in Germany by Briefkasten Manufaktur.

The complete surface-mounted letterbox system is made of galvanised steel, powder-coated in RAL 7016 anthracite grey. The very high-quality workmanship and the well thought-out concept make this letterbox system our top seller. A rain drainage edge for optimum water protection, a double-edged throw-in flap with rubber buffer, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this surface-mounted letterbox system.

Thanks to the design, self-assembly is straightforward.
