6-unit surface-mounted mailbox system Design BASIC 385A-7016 AP - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | with 6 mailboxes (1x6)

Product number 385A-7016-6S

Product description

Narrow surface-mounted mailbox system BASIC 385A for 6 households – RAL 7016 Anthracite grey

The BASIC 385A surface-mounted mailbox system for 6 households is a robust wall solution for multi-family houses, smaller residential complexes as well as office and medical premises. The vertically arranged S configuration reduces horizontal space requirements and makes particularly efficient use of the available wall height.

The mailboxes are made of galvanised steel and are powder-coated in RAL 7016 Anthracite grey with a fine-texture matt finish. The close-fitting cladding with a rain canopy brings the individual compartments together to form a closed, modern surface-mounted system.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm insertion opening is designed for DIN C4 items in portrait orientation. The doors open from left to right; each mailbox is supplied with two keys with key number and an interchangeable nameplate located beneath the insertion flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Rain canopy and side cladding

The rain canopy and side panels combine the individual mail compartments into a closed surface-mounted system. The coordinated cladding provides a calm front and a neat finish at the façade.

DIN C4 insertion and 12 litre capacity

The 300 × 110 × 385 mm (W × H × D) compartments each provide approx. 12 litres of volume. The 35 × 265 mm insertion opening also accepts larger DIN C4 items in portrait orientation.

Quiet insertion and secure allocation

The rubber lip cushions the insertion flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear allocation of the individual mailboxes.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade mounting. A mounting rail facilitates installation; fixings including screws and wall plugs are included in the described configuration.

Robust finish in RAL 7016

The anthracite grey fine-textured surface gives the system a modern appearance and protects the galvanised steel for daily use on the building. The system is manufactured in Germany at the Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 6 separately lockable mail compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material Galvanised steel, powder-coated in RAL 7016 Anthracite grey fine-texture matt
Finish RAL 7016 Anthracite grey fine-texture matt
Standard DIN EN 13724

Mail and handling

Insertion opening 35 × 265 mm, suitable for DIN C4 portrait
Insertion flaps With noise-damping rubber lip
Mail collection From the front
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate beneath the insertion flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain canopy Solid, matching the system
Mounting type Surface-mounted wall installation
Mounting aid Mounting rail
Fixings Screws and wall plugs included; suitability for the on-site wall structure should be checked
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or thermal insulation composite systems, appropriate fastening solutions must be specified on site.

Note on weather protection

Mail is best protected from moisture and dirt only when items are fully inserted and the insertion flap is closed. Protruding letters or magazines may prevent the flap from closing completely.

Product properties

Material	Steel, galvanised
Series	BASIC
Number of boxes	with 6 letterboxes
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey
Removal of mail	On the front
Mounting type	Surface-mounted
