5-unit 2x3 stainless steel surface-mounted mailbox Design BASIC Plus 382XA AP with doorbell box - RAL colour of your choice | Left | 150mm depth | ? Colour of your choice | with 5 mailboxes (3x2)

Product number 382XA-5-SP-150-L

Product description

5-unit 2x3 stainless steel surface-mounted mailbox system Design BASIC Plus 382XA AP with bell box - RAL colour of your choice

High-quality surface-mounted mailbox for 5 households - made in Germany by Briefkasten Manufaktur. The complete surface-mounted mailbox system is made of stainless steel V2A, powder-coated in a RAL colour. The very high-quality workmanship and the well-thought-out concept make this mailbox system one of our top sellers. A rain drainage edge for optimal water protection, a continuous rubber lip for quiet insertion, the robust interchangeable nameplate, a practical mail retention bar and the very sturdy lock characterise this surface-mounted mailbox system.

The side cladding with projecting rain hood made of stainless steel V2A provides optimal protection against the weather and guarantees very high durability. The high-quality doorbell panel with stainless steel doorbell buttons and anti-vandal nameplates can optionally be prepared with a speaker grille for the installation of standard intercom systems or built-in speakers. The mailbox systems of the BASIC Plus collection are characterised by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility/modularity, easy spare-part assembly and straightforward self-installation.

Spare parts are directly available for all BASIC Plus systems. Thanks to the method of construction, self-installation is uncomplicated. The mailbox system is prepared for uncomplicated complete installation; there is no need for laborious wall mounting of individual boxes. 5-unit surface-mounted mailbox system with mailboxes made of stainless steel V2A, powder-coated in a RAL colour.

Benefits at a glance

Stainless steel side cladding with rain hood

Side cladding and rain hood are made of stainless steel V2A, powder-coated in a RAL colour of your choice and complement the system as a structurally coordinated weather protection.

Generous letter insertion

The insertion opening measures 35 × 325 mm and is designed for DIN C4 landscape. The mailbox design complies with DIN EN 13724.

Quiet insertion and convenient retrieval

The integrated flap damping with rubber seal reduces impact noise during insertion. The door opens from left to right. The mail retention bar holds items back during retrieval.

Integrated bell and intercom area

Bell box made of weather-resistant V2A stainless steel 1.4301, powder-coated in a RAL colour. The stainless steel doorbell button Type 4 is used. Optionally prepared with a speaker grille for the installation of standard intercom systems or built-in speakers. (Intercom system/built-in speakers not included). An option with the Comelit Ultra video kit is also available.

Quality manufacturing and considered construction

The system is manufactured at Briefkasten Manufaktur in Germany. The design is intended for straightforward self-installation.

Equipment and product details

Mailbox system

Number of mailboxes 5 separate mail compartments
Arrangement 3 × 2
Depth 150 mm
Mailbox material Stainless steel V2A
Mailbox finish Powder-coated in a RAL colour of your choice
Bell/intercom section Bell box made of weather-resistant V2A stainless steel 1.4301, powder-coated in a RAL colour

Mail and operation

Insertion opening 35 × 325 mm, suitable for DIN C4 landscape
Standard DIN EN 13724
Insertion flap Sound-dampened with rubber seal
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate below the insertion flap
Mail retention bar Integrated for each mailbox

Installation and accessories

Installation type Surface-mounted
Rain drainage edge Integrated into the construction
Rain hood Made of stainless steel V2A, powder-coated in a RAL colour of your choice

Side cladding Made of stainless steel V2A, powder-coated in a RAL colour of your choice
Mounting material For wall mounting incl. mounting rail and fixing material (screws + wall plugs)
Manufacturing Made in Germany by Briefkasten Manufaktur Lippe

Note on weather protection

Mail is optimally protected against moisture and dirt when fully inserted and with the insertion flap closed. Protruding items may prevent the flap from closing completely.

Note on wall mounting

Before installation, the load-bearing capacity and condition of the wall must be checked. Fixings must be matched to the weight of the system and the existing wall structure.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
