Product number 382XA-VA-10W-150

Product description

10-unit 5x2 stainless steel surface-mounted mailbox Design BASIC Plus 382XA AP - stainless steel V2A, brushed

High-quality surface-mounted mailbox for 10 occupants made in Germany by Briefkasten Manufaktur.

The complete surface-mounted mailbox system is made of stainless steel V2A, brushed. The very high-quality workmanship and the well thought-out concept make this mailbox system one of our top sellers. A rain drip edge for optimal water protection, a continuous rubber lip for quiet posting, a replaceable nameplate, a practical post-retention bracket and a very robust lock characterise this surface-mounted mailbox system.

The mailbox systems of the BASIC Plus collection are distinguished by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy replacement-part installation and uncomplicated self-assembly. Spare parts for all BASIC Plus systems are available directly.

Thanks to the design, self-assembly is straightforward. The mailbox system is prepared for uncomplicated complete mounting; there is no need for time-consuming wall mounting of individual boxes.

- 10-unit surface-mounted mailbox system with letterboxes made of stainless steel V2A, brushed.
- The system is produced by Briefkasten Manufaktur. German quality manufacture "Made in Germany".
- The letterboxes comply with DIN/EN 13724. Posting aperture (3.5 cm x 32.5 cm) for C4 landscape; large letters fit in without folding.
- Posting flaps with noise-dampening rubber seal for very quiet posting of mail.
- The doors open from left to right.
- Includes 2 keys with key number, interchangeable nameplate under the posting flap and post-retention bracket per letterbox.
- Large capacity with optional mailbox depth +50 mm = approx. 17 l. Suitable for businesses and households with very high mail volumes.
- Includes side cladding + rain hood made of stainless steel V2A, brushed.
- For wall mounting; includes mounting rail and fixings (screws + wall plugs).

Important information:

Post is only protected from moisture and soiling when fully inserted and the flap is closed. Under certain extreme weather conditions water may still enter (per DIN EN 13724 up to 1 cm³). This does not constitute grounds for a complaint.

Product properties

Series	BASIC
