Product description

6-unit stainless steel surface-mounted mailbox Design BASIC Plus 382XA AP with bell box - stainless steel V2A

High-quality surface-mounted mailbox for 6 households made in Germany by Briefkasten Manufaktur. The mailbox is made entirely of stainless steel V2A, brushed. The very high-quality workmanship and the well thought-out concept make this mailbox one of our top sellers. A rain drainage lip for optimal water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical mail-retaining bar and the very robust lock characterise this surface-mounted mailbox.

The mailbox systems of the BASIC Plus collection are characterised by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility and modularity, easy replacement part installation and straightforward self-installation. Spare parts are directly available for all BASIC Plus systems.

Thanks to the design, self-installation is uncomplicated. The mailbox system is prepared for straightforward complete installation; there is no need for complex wall mounting of individual boxes. 6-unit surface-mounted mailbox made of weather-resistant stainless steel V2A 1.4301, 240-grit brushed.

The benefits at a glance

The insertion opening measures 35 × 325 mm and is designed for DIN C4 landscape. The mailbox design complies with DIN EN 13724.

Quiet insertion and comfortable retrieval

The integrated flap damping with rubber seal reduces impact noise during insertion. The mail-retaining bar holds items back during retrieval.

Integrated doorbell and intercom area

Bell box made of stainless steel V2A 1.4301, 240-grit brushed. The stainless steel doorbell button Type 4 is used as the doorbell switch. Prepared optionally with a speech grille for the installation of standard intercom systems or flush-mounted speakers. (Intercom system/flush-mounted speaker not included). An optional version with the Comelit Ultra video complete set is also available.

Quality manufacture and well thought-out construction

The system is manufactured by Briefkasten Manufaktur in Germany. The construction is designed for uncomplicated self-installation.
