Sign freestanding BASIC 390ES - stainless steel stand elements - 2x stainless steel sheet 400x457 one-sided

High quality manufactured stainless steel sign freestanding with elegant round tube stand elements. The sign is made of stainless steel V2A 1.4301, ground. High quality sign, freestanding made in Germany by Briefkasten Manufaktur. The ideal solution for presentation for outdoor use.
Thanks to the construction method, self-assembly is uncomplicated.
• Sign freestanding made of weather-resistant stainless steel V2A, ground.
• The system is created at the letterbox manufactory. German quality production "Made in Germany".
• The print area has a surface of W 393 mm x H 450mm.
• The stainless steel plates are ground on the front side (without lettering/printing) and can be equipped with adhesive foil, laser lettering or engraving on site.
• The stand columns are made of 60.3 mm stainless steel V2A 1.4301, brushed for screw mounting or for setting in concrete.
