Sign freestanding BASIC 390ES - stainless steel stand elements - stainless steel sheet 800x457 one-sided

High quality manufactured stainless steel sign freestanding with elegant round tube stand elements. The sign is made of stainless steel V2A 1.4301, polished, the inscription box is equipped with a plexiglass engraving and a backlit LD illumination. High quality sign, freestanding made in Germany by Briefkasten Manufaktur. The ideal solution for outdoor presentation.

Thanks to the construction method, self-assembly is uncomplicated.

- Sign freestanding made of weather-resistant stainless steel V2A, ground.
- The system is created at the letterbox manufactory. German quality production "Made in Germany".
- The print area has a surface of W 793 mm x H 450mm.
- The stainless steel plate is ground on the front side (without lettering/printing) and can be equipped with adhesive foil, laser lettering or engraving on site.
- Labeling box W 800mm x H 100mm x D 50mm with a plexiglass engraving and a backlit LD illumination incl. power supply.
- The columns are made of 60.3 mm stainless steel V2A 1.4301, brushed for screw mounting or for setting in concrete.
