Sign DESIGNER 390A 350x150 - RAL at choice - house number - name inscription

High quality sign for wall mounting made in Germany by Briefkasten Manufaktur. The ideal complement for the letterbox DESIGNER 515 with the width 350mm.

Mounting is simply done by inserting the supplied dowels into the masonry, then the element is "hammered" into the dowels. In this way, you achieve an optimal and secure fastening. The fixing material is included.

- Sign made of weather-resistant stainless steel V2A, powder-coated.
- The sign is created at the letterbox manufactory. German quality production "Made in Germany".
- Name inscription/street name, lasered approx. 7-10mm high depending on the number of characters.
- House number, lasered approx. 60-100mm high depending on the number of characters.
