Design mailbox with newspaper box Schiller BIG VA7016 - stainless steel V2A, ground & RAL 7016 anthracite gray

High quality stainless steel design letter box for wall mounting with internal newspaper box. Optionally, your name can also be applied as a lettering. This mailbox is massively manufactured and the basic material is made of stainless steel. This is how optimal rust protection is given. The structure also gives optimal water protection. The door lock side can be selected for left-handed or right-handers so that one-handed condition is possible.

The newspaper box is integrated in the stainless steel body, powder-coated in RAL 7016 anthracite gray, and therefore offers optimal water protection for the newspaper.

- High quality stainless steel design mailbox with internal newspaper box for wall mounting
- Front panel 2 mm stainless steel, ground.
- Available with the door hit on the left (door lock on the right) or door was hit right (door lock on the left). Newspaper box always on the castle side.
- High quality door lock on the side including 2 keys with key number.
- Corpus 1.5 mm, stainless steel- powder-coated RAL 7016 anthracite gray fine structure, matt.
- Postal & newspaper throw from above.
- Recycle size suitable for C4 envelopes.
- Optimal water protection.
- Optional with lettering "Post" / "Zeitung", lasered approx. 10mm high.
- Optional name lettering, lasered approx. 10mm high.
- Optional house number label, lasered approx. 80-100mm high.
- Delivery including stainless steel assembly material.
