10-unit 5x2 surface-mounted mailbox system Design BASIC 385A AP - stainless steel RAL 7016 anthracite | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | BI-Color brushed stainless steel | RAL 7016 anthracite grey | with 10 mailboxes

Product number 385A-7016VA-10W

Product description

Wide surface-mounted mailbox system BASIC 385A for 10 households – BI-Colour RAL 7016 / Stainless steel

The BASIC 385A surface-mounted mailbox system for 10 households is a robust wall solution for apartment buildings, residential complexes and commercial properties. The wider W version distributes the mailboxes across a multi-column front, resulting in a lower, more compact overall installation.

The BI-Colour version combines anthracite-grey powder-coated mailbox bodies with brushed stainless steel V2A elements. The contrast of materials gives the BASIC system a high-quality, modern appearance.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and provides approx. 12 litres of volume. The 35 × 265 mm mail slot is designed for DIN C4 items in portrait orientation. The doors open from left to right; each mailbox is supplied with two keys with an identification number and an interchangeable nameplate beneath the mail flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Rain canopy and side panels

The rain canopy and side panels combine the individual mailboxes into a single closed surface-mounted unit. The coordinated cladding creates a calm front and a neat finish at the façade.

DIN C4 mail slot and 12 litres volume

The 300 × 110 × 385 mm (W × H × D) compartments each offer approx. 12 litres of volume. The 35 × 265 mm mail slot also accepts larger DIN C4 items in portrait orientation.

Quiet insertion and secure allocation

The rubber lip cushions the mail flap. Robust locks, two keys with identification numbers and protected interchangeable nameplates ensure clear allocation of the individual mailboxes.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade installation. A mounting rail simplifies installation; fixings including screws and wall plugs are included with the described configuration.

BI-Colour in anthracite and stainless steel

RAL 7016 anthracite grey fine-textured matt is combined with brushed stainless steel accents to create a striking material contrast. The system is manufactured in Germany at the Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 10 separately lockable compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material BI-Colour: galvanised steel in RAL 7016 with stainless steel V2A accents
Finish RAL 7016 anthracite grey fine-textured matt / brushed stainless steel V2A
Standard DIN EN 13724

Mail and operation

Mail slot 35 × 265 mm, suitable for DIN C4 upright
Mail flaps With noise-dampening rubber lip
Mail retrieval From the front
Door opening From left to right
Keys 2 keys with identification number per mailbox
Nameplate Interchangeable nameplate beneath the mail flap

Cladding and wall mounting

Side cladding Close-fitting version
Rain canopy Solid canopy matching the unit
Mounting type Surface-mounted wall installation
Mounting aid Mounting rail
Fixings Screws and wall plugs included; verify suitability for the on-site wall structure
Manufacture Manufactured in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall structure; for other substrates or external thermal insulation systems, appropriate fixing solutions must be specified on site.

Note on weather protection

Mail is only optimally protected from moisture and dirt when items are fully inserted and the mail flap is closed. Protruding letters or magazines may prevent the flap from closing completely.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey, Brushed
Removal of mail	On the front
Number of boxes	with 10 letterboxes
Mounting type	Surface-mounted
