3-unit (3x1) design surface-mounted mailbox system GOETHE AP - RAL colour of your choice | with 3 mailboxes (3x1) | 200mm depth

Product number 215-AP-3W-200

Product description

3-unit 3x1 design surface-mounted mailbox system GOETHE AP - RAL colour of your choice

High-quality manufactured 3-party surface-mounted mailbox system. The modern GOETHE mailbox is ideal for a sophisticated entrance area. The straight-lined design without a visible lock makes this mailbox appear particularly elegant.

The dimensions of the individual boxes provide a capacity of approx. 16 litres; the large slot guarantees that even DIN C4 envelopes and magazines — or post accumulated during several days' absence — will not be creased. The innovative push-key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. The arrangement of the lock is designed so that the retrieval door prevents your mail from falling out towards you. The internal mail is optimally protected from the weather by the water drip edge. The insertion flap is fitted with high-quality hinge dampers, ensuring quiet closing and preventing annoying rattling caused by weather. The replaceable Plexiglas nameplates can be easily operated from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is equipped with the 'Advertising Yes/No' insert.

The surface-mounted mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility and modularity, easy spare-part assembly and straightforward self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-installation is straightforward.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- High-quality 3-unit surface-mounted mailbox made of stainless steel and aluminium.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailboxes made of stainless steel grade 1.4016 (corrosion-resistant, magnetic stainless steel), powder-coated in RAL colour of your choice.
- Innovative push-key lock with two keys per party.
- Letters are inserted and retrieved from the front. Insertion flap with high-quality hinge dampers for very quiet mail insertion.
- The mailboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large envelopes fit without being creased.
- Retrieval doors open from top to bottom, so your mail cannot fall towards you.
- Plexiglas nameplate for name labelling and a second nameplate with 'Advertising Yes/No' insert per party.
- Optimal protection against rain through drip edges and a rain hood made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Includes mounting rail for wall installation.

Important information:

To achieve optimal water protection for your mail, the mailbox or mailbox system should, if possible, be located under a canopy.

Mail is only protected from water if it is placed completely inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a reason for complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
Series	GOETHE
