19-unit 7x3 surface-mounted mailbox system Design BASIC 385A AP - stainless steel RAL 7016 anthracite | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | BI-Color brushed stainless steel | RAL 7016 anthracite grey | with 19 mailboxes

Product number 385A-7016VA-19W

Product description

Wide Surface-mounted Mailbox System BASIC 385A for 19 Households – BI-Color RAL 7016 / Stainless Steel

The BASIC 385A surface-mounted mailbox system for 19 households is a robust wall solution for larger apartment buildings, residential complexes and commercial properties. The wider W version distributes the mailboxes across a multi-column front, keeping the overall system lower in height and clear in appearance.

The BI-Color finish combines anthracite grey powder-coated mailbox bodies with brushed stainless steel V2A elements. The material contrast gives the BASIC system a high-quality, modern appearance.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm letter slot is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox is supplied with two keys with key number and an interchangeable nameplate located below the letter flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Rain canopy and side panels

The rain canopy and side panels join the individual compartments into a continuous surface-mounted system. The coordinated cladding creates a calm front and a neat finish at the façade.

DIN C4 letter slot and 12 litres volume

The 300 × 110 × 385 mm (W × H × D) compartments each offer approx. 12 litres of volume. The 35 × 265 mm letter slot also accepts larger DIN C4 items in portrait orientation.

Quiet insertion and secure allocation

The rubber lip damps the letter flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure clear assignment of each compartment.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade installation. A mounting rail simplifies installation; fixings with screws and wall plugs are included in the described configuration.

BI-Color in anthracite and stainless steel

RAL 7016 Anthracite grey fine-structure matt is combined with brushed stainless steel accents to create a striking material contrast. The system is manufactured in Germany by Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 19 individually lockable compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per compartment
Material BI-Color: galvanised steel in RAL 7016 with stainless steel V2A accents
Finish RAL 7016 Anthracite grey fine-structure matt / stainless steel V2A brushed
Standard DIN EN 13724

Mail and operation

Letter slot 35 × 265 mm, suitable for DIN C4 portrait
Letter flaps With noise-damping rubber lip
Mail retrieval From the front
Door opening From left to right
Keys 2 keys with key number per compartment
Nameplate Interchangeable nameplate beneath the letter flap

Cladding and wall installation

Side cladding Flush-fitting design
Rain canopy Robust, system-matching design
Mounting type Surface-mounted wall installation
Installation aid Mounting rail
Fixings Screws and wall plugs included; check suitability for the wall construction on site
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall installation

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation systems appropriate fixing solutions must be determined on site.

Note on weather protection

Mail is best protected from moisture and dirt only when items are fully inserted and the letter flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey, Brushed
Number of boxes	with 19 letterboxes
Removal of mail	On the front
Mounting type	Surface-mounted
