9-unit 5x2 surface-mounted mailbox system Design BASIC 385A AP - stainless steel - RAL 7016 anthracite | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | BI-Color brushed stainless steel | RAL 7016 anthracite grey | with 9 mailboxes

Product number 385A-7016VA-9W

Product description

Wide surface-mounted mailbox system BASIC 385A for 9 households – BI-Color RAL 7016 / Stainless steel

The BASIC 385A surface-mounted mailbox system for 9 households is a robust wall-mounted solution for multi-family homes, residential complexes and commercially used properties. The wider W-design distributes the mailboxes across a multi-column front and keeps the overall system lower in proportion and clear in layout.

The BI-Color version combines anthracite grey powder-coated mailbox bodies with brushed stainless steel V2A elements. The material contrast gives the BASIC system a high-quality, modern appearance.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm insertion opening is designed for DIN C4 items in portrait orientation. The doors open from left to right; each mailbox is supplied with two keys bearing a key number and a changeable nameplate beneath the insertion flap.

Advantages of the BASIC 385A surface-mounted system at a glance

Rain canopy and side cladding

The rain canopy and side panels unite the individual mailboxes into a closed surface-mounted system. The coordinated cladding ensures a calm front and a neat finish at the façade.

DIN C4 aperture and 12-litre volume

The 300 × 110 × 385 mm (W × H × D) compartments each offer approx. 12 litres of volume. The 35 × 265 mm insertion opening also accepts larger DIN C4 items in portrait orientation.

Quiet posting and secure allocation

The rubber lip damps the insertion flap. Robust locks, two keys with key number and protected changeable nameplates ensure the clear allocation of the individual mailboxes.

Mounting rail for wall mounting

The surface-mounted system is designed for direct façade installation. A mounting rail facilitates installation; fixing materials with screws and wall plugs are included in the described configuration.

BI-Color in anthracite and stainless steel

RAL 7016 anthracite grey fine-textured matt is combined with brushed stainless steel accents to create a striking material contrast. The system is manufactured in Germany by the Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 9 separately lockable mailboxes
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material BI-Color: galvanised steel in RAL 7016 with stainless steel V2A accents
Finish RAL 7016 anthracite grey fine-textured matt / brushed stainless steel V2A
Standard DIN EN 13724

Mail and operation

Mail slot 35 × 265 mm, suitable for DIN C4 in portrait orientation
Insertion flaps With sound-damping rubber lip
Mail retrieval Front access
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Changeable nameplate beneath the insertion flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain canopy Robust, matching the system
Type of installation Surface-mounted wall installation
Mounting aid Mounting rail
Fixings Screws and wall plugs included; suitability for on-site wall construction should be checked
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs are only to be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems (ETICS) appropriate fixing solutions must be determined on site.

Note on weather protection

Mail is best protected from moisture and dirt when items are fully inserted and the insertion flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BASIC
Number of boxes	with 9 letterboxes
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey, Brushed
Removal of mail	On the front
Mounting type	Surface-mounted
