Product number 382XA-VA-11-100

Product description

12-unit (6x2) stainless steel surface-mounted mailbox Design BASIC Plus 382XA AP - stainless steel V2A, brushed

High-quality surface-mounted mailbox for 12 units made in Germany by Briefkasten Manufaktur.

The complete surface-mounted mailbox system is made of stainless steel V2A, brushed. The very high-quality workmanship and the well-thought-out concept make this mailbox system one of our bestsellers. A rain drip edge for optimal water protection, a continuous rubber lip for quiet insertion, the robust changeable nameplate, a practical mail retention bar and the very sturdy lock characterise this surface-mounted mailbox system.

The mailbox systems of the BASIC Plus collection are distinguished by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy replacement-part installation and straightforward self-assembly. Replacement parts for all BASIC Plus systems are readily available.

Thanks to the design, self-assembly is uncomplicated. The mailbox system is prepared for straightforward complete installation, so there is no need for labour-intensive wall mounting of individual boxes.

- 12-unit surface-mounted mailbox system with mailboxes made of stainless steel V2A, brushed.
- The system is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The mailboxes conform to DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape; large envelopes fit without bending.
- Insertion flaps with noise-damping rubber seals for very quiet mail insertion.
- Doors open from left to right.
- Includes 2 keys with key number, changeable nameplate beneath the insertion flap and a mail retention bar per mailbox.
- Large capacity via optional mailbox depth +50 mm = approx. 17 litres. Suitable for businesses and households with very high mail volume.
- Includes side panel and rain hood in stainless steel V2A, brushed.
- For wall mounting; includes mounting rail and fixing materials (screws + wall plugs).

Important information:

Post is only protected from moisture and dirt when fully inserted and the flap is closed. Under certain extreme weather conditions, water may still enter (according to DIN EN 13724 up to 1 cm³). This is not grounds for a complaint.

Product properties

Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Material	Stainless steel V2A 1.4301
Removal of mail	On the front
Number of boxes	with 11 letterboxes
Surface/colour	Brushed
Mounting type	Surface-mounted
