## Stainless steel V4A house number 75, self-adhesive

The house number shows not only where you live, but also how you live. The clearly designed numbers made of stainless steel testify to the residents' sense of style. The house numbers are available exclusively self-adhesive for smooth surfaces. Ideal for individual addition to our intercoms, see photos.

- House number made of brushed stainless steel V4A.
- Self-adhesive for smooth surfaces incl. adhesive foil.
- Number height max. 7,5 cm
- Material thickness 1.5 mm
