2-unit 1x2 design surface-mounted mailbox system GOETHE AP - RAL colour of your choice | 200mm depth | with 2 letterboxes (1x2)

Product number 215-AP-2S-200

Product description

2-unit 1x2 design surface-mounted mailbox system GOETHE AP - RAL of your choice

High-quality manufactured 2-party surface-mounted mailbox system. The modern GOETHE mailbox is ideal for an upscale entrance area. Its clean-lined design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the individual compartments provide a capacity of approx. 16 litres; the large aperture ensures that DIN C4 envelopes and magazines — or mail accumulated during several days' absence — are not creased. The innovative push-key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. The lock arrangement is designed so that the collection door prevents your post from falling out towards you. A water run-off edge provides optimal protection for the internal post against the elements. The insertion flap is equipped with high-quality hinge dampers, guaranteeing quiet closing and preventing distracting rattling caused by the weather. The replaceable Plexiglas nameplates can be operated conveniently from the front; for an optimum appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is fitted with the advertising Yes/No insert.

The surface-mounted mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility/modularity, easy spare-part assembly and straightforward self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the construction, self-installation is uncomplicated.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- High-quality 2-unit surface-mounted mailbox made of stainless steel and aluminium.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailboxes made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in RAL of your choice.
- Innovative push-key lock with 2 keys per party.
- Letters are inserted and collected from the front. Insertion flap with high-quality hinge dampers for very quiet posting.
- The mailboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape — large letters fit without being creased.
- Collection doors open from top to bottom, preventing your post from falling out towards you.
- Plexiglas nameplate for name labelling and second nameplate with advertising Yes/No per party.
- Optional house number labelling approx. 70–80 mm high.
- Optimal rain protection through water run-off edges and a rain hood made of 3 mm aluminium AlMg3 W19, powder-coated in RAL of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in RAL of your choice.
- Includes mounting rail for wall mounting.

Important information:

To achieve optimal water protection for your post, the mailbox or mailbox system should, if possible, be placed under a canopy.

Mail is protected from water only if it is placed completely inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not grounds for a complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
