## Showcase BASIC Plus 389X ST-T with bell box - 710x660 - RAL of your choice

High quality showcase made in Germany by Briefkasten Manufaktur. The ideal solution for simple poster display indoors and outdoors.

The showcase is completely made of aluminum, powder coated in RAL color. The showcase is suitable for 2x DIN A-4 sheets, the showcase has a RAL color, magnetic back wall and a white text panel in the upper viewing area. The glazing is made of single-pane safety glass, the integrated ventilation openings prevent fogging of the glass.

The bell box is made of stainless steel V2A, powder coated in RAL color. The bell box allows easy installation of a built-in speaker for an intercom system and a camera. Optionally, an illuminated house number is possible.

The letterboxes of the BASIC Plus collection are characterized by the consistent use of stainless steel V2A and aluminum. The result is a very high durability and sustainability. The design has been developed by our own engineers with a view to high flexibility or modularity, easy spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.

### • Aluminum showcase with stainless steel bell box, powder-coated in RAL color

- The system is manufactured at Briefkasten Manufaktur. German quality production "Made in Germany".
- Suitable for 2x DIN A-4 sheets.
