Product number 382XA-VA-16W-100

Product description

16-unit 6x3 stainless steel surface-mounted letterbox Design BASIC Plus 382XA AP - stainless steel V2A, brushed

High-quality surface-mounted letterbox for 16 households made in Germany by Briefkasten Manufaktur.

The complete surface-mounted letterbox system is made of stainless steel V2A, brushed. The very high-quality workmanship and the well thought-out concept make this letterbox system one of our top sellers. A rain runoff edge for optimal water protection, a continuous rubber lip for quiet posting, a sturdy replaceable nameplate, a practical post-retention bracket and a very robust lock characterise this surface-mounted letterbox system.

The letterbox systems of the BASIC Plus collection are distinguished by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with regard to high flexibility and modularity, easy spare-part assembly and straightforward self-installation. Spare parts are readily available for all BASIC Plus systems.

Thanks to the design, self-installation is uncomplicated. The letterbox system is prepared for straightforward complete installation; there is no need for labour-intensive wall mounting of individual boxes.

- 16-unit surface-mounted letterbox system with letterboxes made of stainless steel V2A, brushed.
- The system is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The letterboxes comply with DIN/EN 13724. Letter slot size (3.5 cm x 32.5 cm) for C4 landscape; even large letters fit without folding.
- Letter flaps with a noise-dampening rubber seal for very quiet posting of mail.
- The doors open from left to right.
- Includes 2 keys with key number, replaceable nameplate under the letter slot and post-retention bracket per letterbox.
- Large capacity thanks to optional additional mailbox depth +50 mm = approx. 17 litres. Suitable for businesses and households with very high mail volumes.
- Includes side panel and rain hood made of stainless steel V2A, brushed.
- For wall mounting, includes mounting rail and fixing materials (screws + wall plugs).

Important information:

Post is only protected from moisture and soiling when fully inserted and with the flap closed. Under certain extreme weather conditions water may still enter (according to DIN EN 13724 up to 1 cm³). This does not constitute grounds for a complaint.

Product properties

Series	BASIC
Boxes by volume	Normal > 10 litres
Number of boxes	with 16 letterboxes
Name labelling	Nameplate
Material	Stainless steel V2A 1.4301
Removal of mail	On the front
Surface/colour	Brushed
Mounting type	Surface-mounted
