## 2-compartment Stainless steel free-standing letterbox Design BASIC Plus 381X ST R with advertising sign 710x460 & newspaper compartment closed - stainless steel V2A polished

Modern free-standing letterbox for 2 parties - made in Germany by Briefkasten Manufaktur.

The complete mailbox system is made of weather-resistant stainless steel V2A 1.4301, ground. The very high-quality processing and the thought-out concept make this free-standing letterbox our top seller. A rain drainage edge for optimal water protection, a continuous rubber lip for quiet insertion, the solid interchangeable name plate, a practical mail holding bracket and the very robust lock characterize this free-standing letterbox. The side panel with protruding rain canopy made of stainless steel V2A offers optimum protection against the weather and guarantees a very long service life. The advertising sign is ground on the front side (without lettering/printing) and can be equipped with adhesive foil, laser lettering or engraving on site. The ideal solution for outdoor presentation.

The letterboxes of the BASIC Plus collection are characterized by the consistent use of stainless steel V2A. The result is a very high durability and sustainability. The construction has been developed by our own engineers with regard to high flexibility or modularity, simple spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus units.
