4-unit (2x2) designer surface-mounted mailbox system GOETHE AP - RAL colour of your choice | 200mm depth | with 4 mailboxes

Product number 215-AP-4-200

Product description

4-unit 2x2 Design Surface-mounted Mailbox System GOETHE AP - RAL colour of your choice

High-quality 4-party surface-mounted mailbox system. The modern GOETHE mailbox is ideal for the upmarket entrance area. The clean-lined design without a visible lock gives this mailbox a particularly elegant appearance.

The dimensions of the individual compartments provide a capacity of approx. 16 litres; the large insertion opening ensures that DIN C4 envelopes and magazines — or post accumulated during several days away — are not creased. The innovative Push-Key lock is hidden inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. With the lock positioned as it is, the mailbox is designed so that the retrieval door prevents your post from falling out towards you. The internal post is optimally protected from the weather by the rain runoff edge. The insertion flap is equipped with high-quality axle dampers, ensuring quiet closing and preventing annoying rattling caused by the weather. The interchangeable Plexiglas nameplates can be easily operated from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is fitted with an 'Advertising Yes/No' insert.

The surface-mounted mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with regard to high flexibility and modularity, simple spare-part replacement and straightforward self-assembly. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-assembly is straightforward.

Protected utility model under DPMA file number DE: 20 2021 101 679.5

- High-quality 4-unit surface-mounted mailbox made of stainless steel and aluminium.
- Quality manufacture - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailboxes made from stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in a RAL colour of your choice.
- Innovative Push-Key lock with 2 keys per mailbox.
- Letter insertion and retrieval are from the front. Insertion flap with high-quality axle dampers for very quiet insertion of post.
- The mailboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape — large envelopes fit in without folding.
- Retrieval doors open from top to bottom. This prevents your post from falling out towards you.
- Plexiglas nameplate for name labelling and a second nameplate with an 'Advertising Yes/No' insert per mailbox.
- Optional house number labelling approx. 70–80 mm high.
- Optimal protection from rain thanks to rain runoff edges and a rain hood made from 3 mm aluminium AlMg3 W19, powder-coated in a RAL colour of your choice.
- Side cladding made from 3 mm aluminium AlMg3 W19, powder-coated in a RAL colour of your choice.
- Including mounting rail for wall installation.

Important information:

To achieve optimal protection of your post from water, the mailbox or mailbox system should, if possible, be located under a canopy.

Postal items are protected from water only when they are placed completely inside the box and the insertion flap is closed. Partially inserted post allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a reason for a complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
Series	GOETHE
