15-unit (5x3) surface-mounted mailbox system Design BASIC 385A AP - stainless steel RAL 7016 anthracite | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | BI-Color brushed stainless steel | RAL 7016 anthracite grey | with 15 mailboxes

Product number 385A-7016VA-15W

Product description

Wide surface-mounted mailbox system BASIC 385A for 15 households – BI-Color RAL 7016 / Stainless steel

The BASIC 385A surface-mounted mailbox system for 15 households is a robust wall-mounted solution for larger apartment buildings, residential complexes and commercial properties. The wider W configuration distributes the mailboxes across a multi-column front, keeping the overall system comparatively low and tidy.

The BI-Color version combines anthracite grey powder-coated mailbox bodies with brushed V2A stainless steel elements. The material contrast gives the BASIC system a high-quality, modern appearance.

Each compartment measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm insertion opening is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox comes with two keys with key number and a changeable nameplate beneath the mail flap.

The benefits of the BASIC 385A surface-mounted system at a glance

Rain hood and side panels

The rain hood and side panels integrate the individual mailboxes into a single, cohesive surface-mounted unit. The coordinated cladding ensures a calm front and a neat finish to the façade.

DIN C4 insertion and 12-litre capacity

The 300 × 110 × 385 mm (W × H × D) compartments each provide approx. 12 litres of volume. The 35 × 265 mm insertion opening also accepts larger DIN C4 items in portrait format.

Quiet insertion and secure assignment

The rubber lip cushions the mail flap. Robust locks, two numbered keys and protected changeable nameplates ensure clear and secure allocation of the individual mailboxes.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade installation. A mounting rail facilitates installation; fixing materials with screws and wall plugs are included in the described configuration.

BI-Color in anthracite and stainless steel

RAL 7016 anthracite grey fine-texture matt is combined with brushed stainless steel accents, creating a striking material contrast. The system is manufactured in Germany at the Briefkasten Manufaktur.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 15 separately lockable mailboxes
Individual compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material BI-Color: galvanised steel in RAL 7016 with stainless steel V2A accents
Finish RAL 7016 anthracite grey fine-texture matt / brushed stainless steel V2A
Standard DIN EN 13724

Mail and operation

Insertion opening 35 × 265 mm, suitable for DIN C4 portrait
Mail flaps With noise-damping rubber lip
Mail retrieval Front access
Door opening Opens from left to right
Keys 2 keys with key number per mailbox
Nameplate Changeable nameplate beneath the mail flap

Cladding and wall installation

Side cladding Close-fitting design
Rain hood Solid, system-matching design
Type of mounting Surface-mounted wall installation
Installation aid Mounting rail
Fixings Screws and wall plugs included; suitability for the local wall construction should be checked
Manufacturing Made in Germany by Briefkasten Manufaktur Lippe

Note on wall installation

The wall must be level and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems, appropriate fixing solutions must be specified on site.

Note on weather protection

Post is best protected against moisture and soiling only when items are fully inserted and the mail flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey, Brushed
Number of boxes	with 15 letterboxes
Removal of mail	On the front
Mounting type	Surface-mounted
