2-compartment Stainless steel wall pass-through mailbox DESIGNER Style - polished stainless steel

High-quality manufactured pass-through mailbox of the brand Briefkasten Manufaktur. Due to the variable shaft length between 270mm to 400mm, this mailbox can be used in pretty much all masonry. The mail removal takes place on the back. The front and rear stainless steel plates made of 2mm stainless steel V2A, ground are fixed to the wall with screws (caps included).

This is a real eye-catcher among the mailboxes. Clear lines and sleek design characterize the designer mailbox with GIRA System 106. Our products have a high value, reliable functionality and their own identity. Made by Briefkasten Manufaktur.

- 2-compartment Designer stainless steel pass-through mailbox made of 2 mm stainless steel V2A, 1.4301 240 grain ground.
- Rear mail removal door 300x100mm, to open from left to right.
- Stainless steel cylinder lock with dust cover & 2 keys with key number per party.
- Replaceable anti-vandalism nameplates made of plexiglass incl. tools - The nameplate is dent-proof and impact-resistant, the plastic is flame-retardant.
- Mail slot from the front, dimensions slot: W 35 cm x H 3.5 cm, C4 landscape. Very large letters fit in here without bending. Attention no removal protection!
- Dimension front panel W 500mm x H 390mm.
- Dimension cover plate with removal door W 500mm x H 400mm.
- Dimension letter chute W 380mm x H 210-280mm.
- Variable shaft length 270-400mm.
- WITHOUT GIRA system components!

Water protection

In order to achieve optimum water protection for your mail, the letterbox or letterbox system should, if possible, be located under a canopy.

The mail is only protected from water if it is completely inserted in the box and the insertion flap is closed. Mail that is not completely inserted allows moisture and dirt to enter the mailbox. Therefore, it is necessary to plan sufficiently sized mailboxes for the upcoming needs. In certain extreme weather conditions, water can still enter (according to DIN EN 13724 up to 1ccm). This is not a reason for complaint.

Abmessungen & Details

Number of parties:	2
Item withdrawal:	Back
Base material:	Stainless steel
Volume single box in liters:	21,0 - 31,0
Height letter slot in cm:	3,5
Width letter slot in cm:	35,0
