Security mailbox type 114 monoform - stainless steel powder coated - RAL of your choice

The house mailbox type 114 is a wall mailbox with increased security standard. With 2,5mm/4mm material thickness completely made of stainless steel powder coated in RAL of your choice. The optional inscription of the house number and name in stainless steel look very elegant and modern.

- The material thickness of the security mailbox is stainless steel 2.5mm body, 4mm door, powder coated in color of your choice.
- Mail items up to B4, which are protected with tooth plate as well as steel pins against unauthorized removal.
- Suitable for wall mounting.
- The mailbox is equipped with an ABUS profile half cylinder 30/10. This allows you to easily replace the lock with another profile half cylinder of your choice (e.g. a locking system) if necessary.
- Optional name inscription approx. 10-15mm high.
- Optional house number inscription approx. 60-80mm high.
- **The letterbox weighs 14 kg. Please note!**
